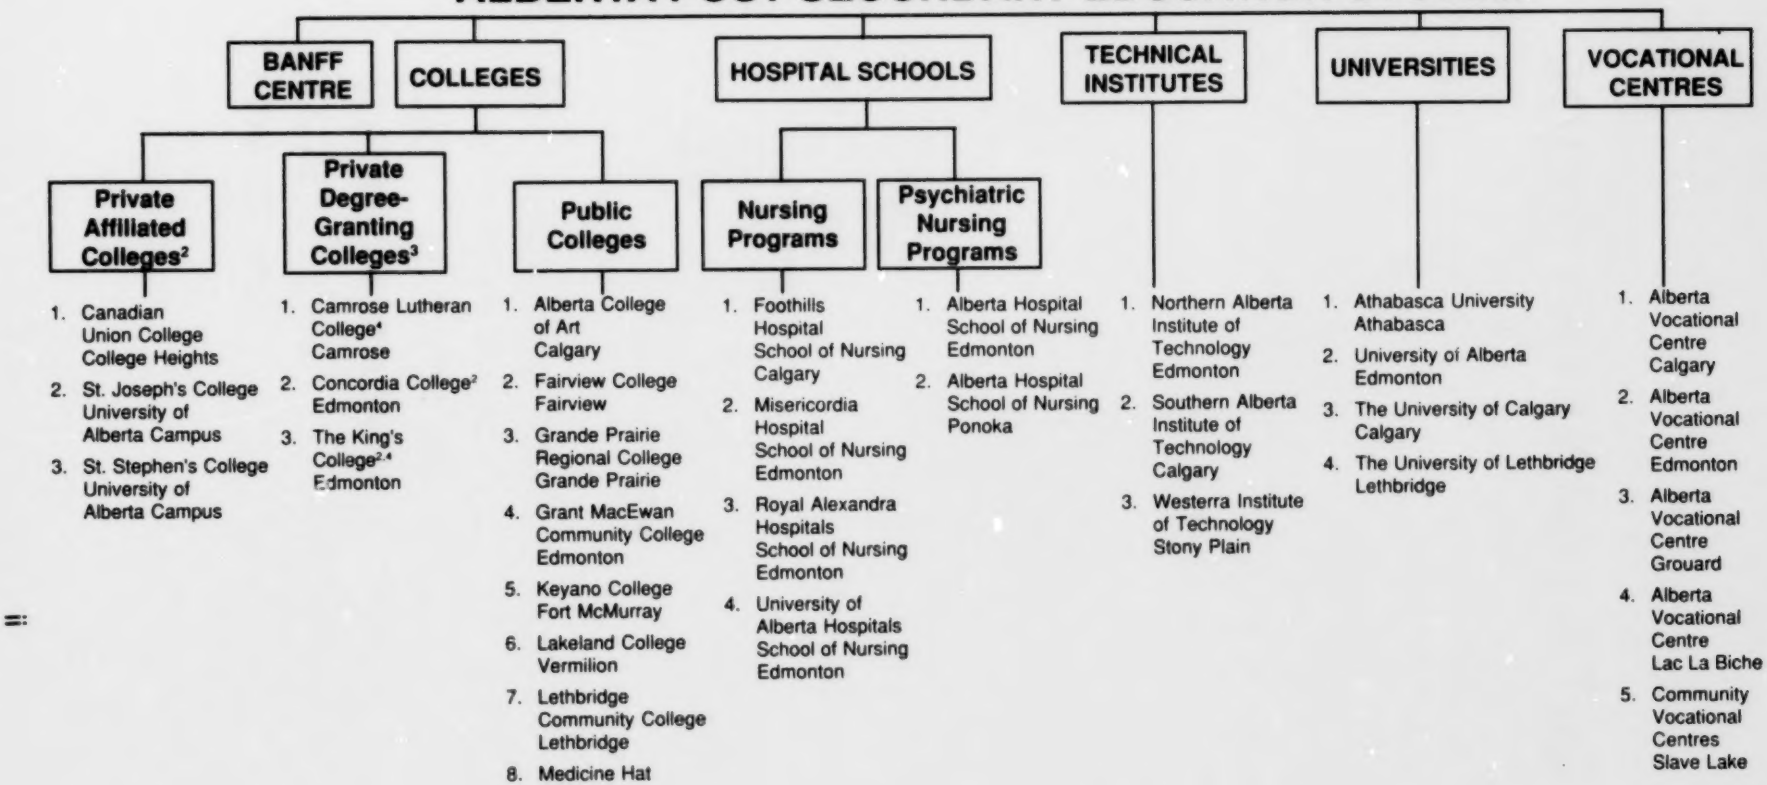
ALBERTA POST-SECONDARY EDUCATION SYSTEM[1]



[1] There are also private non-affiliated colleges and private vocational schools throughout the province, some of which may offer courses that are transferable.

[2] These private colleges have affiliation agreements with the University of Alberta.

[3] Camrose Lutheran College became a degree-granting institution on 28 June 1985, The King's College on 12 March 1987, and Concordia College on 16 July 1987.

[4] Camrose Lutheran College is a member of the Association of Universities and Colleges of Canada (A.U.C.C.), effective 8 October 1987, and The King's College is a provisional member of A.U.C.C., effective 5 May 1988.

IV. Council Principles, Policies, and Procedures 123

I. INTRODUCTION

ALBERTA COUNCIL ON ADMISSIONS AND TRANSFER

The Alberta Council on Admissions and Transfer, established in 1974 as an independent body which reports annually to the Minister of Advanced Education, is responsible for developing policies, guidelines, and procedures designed to facilitate transfer arrangements among post-secondary institutions. The framework for these admissions and transfer arrangements is contained in the Council's Principles, Policies, and Procedures, published in Section IV of this Alberta Transfer Guide.

The Council plays an active role in the implementation of these policies through monitoring, mediation, and research. The Council has a continuing responsibility for facilitating improvement in communications and working relationships among institutions regarding the admission of transfer students and the award of transfer credit. The basic objective of the Council is the enlargement of educational opportunities for students.

In 1986 the Council was restructured to provide appointments for representatives from additional sectors within the system of post-secondary education as well as public members. The 14-member Council now includes the Chairman and representatives from the public, students, the universities, public colleges and technical institutions, the provincially administered institutions, the hospital schools of nursing, and private colleges.

The Council's terms of reference direct it to publish an annual compilation of all existing admissions policies and transfer arrangements within the Alberta system of post-secondary education. The first edition of the Alberta Transfer Guide was published for the academic year 1976-77 and has been revised annually. Thus, an important activity of the Alberta Council on Admissions and Transfer continues to be the publication and distribution of the annual Alberta Transfer Guide. This publication is the **official statement** of transfer arrangements duly negotiated and approved by post-secondary institutions in this province. It has been established both within and outside Alberta as a useful transfer document, and is considered indispensable for transfer operations within the province. It is, moreover, broadly used by other jurisdictions in support of Alberta students transferring there, and more generally as information about the kinds of transfer arrangements developed in this province with the support of the Alberta Council on Admissions and Transfer.

Notwithstanding transfer agreements included herein, resource and other limitations may in some cases preclude the admission of transfer students on the same basis as students already registered in the receiving institution. Further details are available from the Registrar of the receiving institution.

USE OF THE ALBERTA TRANSFER GUIDE

This, the thirteenth edition of the Alberta Transfer Guide, provides a record of transfer arrangements for Alberta post-secondary institutions for the 1988-89 academic year. Section II contains institutional statements on Admission Policies and related information for transfer students. These brief summary statements, which were provided to the Council by each institution, are arranged alphabetically by institution. Section III lists transfer arrangements for each sending institution. Here, too, the sending institutions are presented in alphabetical order. For each sending institution there may be up to four transfer information components: (1) a list of programs transferable to degree-granting institutions, (2) a list of courses transferable to degree-granting institutions, (3) a list of programs transferable to non-degree-granting institutions, and (4) a list of courses transferable to non-degree-granting institutions. Section IV presents a statement of transfer principles as developed by the Alberta Council on Admissions and Transfer, together with an explanation of the Council's role and the policies and procedures under which it operates. A chart showing the Alberta post-secondary system is found on page ii.

It should be noted that:

(1) The Transfer Guide indicates the **minimum transfer credit** which is available for prior post-secondary educational experience upon admission to a post-secondary institution. Additional transfer credit may be negotiable on an individual basis.

(2) **The information presented in this Alberta Transfer Guide is the most recent available as of April 1, 1988.** This information is, in most instances, current. However, since negotiations among institutions are continuous and ongoing, there will undoubtedly be some instances in which listings are obsolete or incomplete. Registrars in the institutions should be contacted where questions arise.

(3) **The Alberta Transfer Guide is not a cumulative record of changes in courses or transfer credits. It applies only to the academic year for which it is published and reflects courses and programs published in the institutional calendars for that academic year.** Therefore, persons are advised to consult the edition of the Transfer Guide for the year in which the particular course or program was completed.

(4) When assessing students' transcripts, the assessor should consult the edition of the Transfer Guide corresponding to the year in which a given course was taken. Where questions arise, the Registrar's Office at the sending institution should be consulted.

(5) **Informal transfer arrangements are possible on an individual basis.** These involve assessment by the receiving institution of an individual student's program, past performance, and the requirements of the program which the student wishes to enter. **Students seeking special consideration are advised to consult with the registrars at both their present institution and at the institution to which they propose to transfer.**

(6) **Transfer arrangements specified in the Transfer Guide are dependent on the particular program a student wishes to enter. Where selection procedures are applicable, such procedures take precedence over the normal procedures.**

(7) Receiving institutions have specific admission and program requirements, which, in some cases, may affect admissibility and advance credit. Thus, **students are strongly advised to refer to Section II of this Transfer Guide, the particular institutional calendar, and the receiving institution's Office of the Registrar in order to obtain more complete information.**

(8) Where **no entry** appears (that is, a blank space) in the column of a receiving institution in the program and course grid in **Section III Transfer Arrangements by Sending Institution** of the Alberta Transfer Guide, no formal transfer arrangement for that particular program or course is in effect between that sending and receiving institution at the time of printing.

EXPLANATION OF TERMS

Receiving institution – any post-secondary institution **to** which students are transferring.

Sending institution – any post-secondary institution **from** which students are transferring.

Course equivalent – a course for which credit is given by the receiving institution. Wherever possible, a specific course equivalent will be assigned by the receiving institution (e.g. English 123 = English 456).

Option – (a) When used in relation to a particular program of study, "option" refers to courses in that program which are not prescribed by the Faculty and in which the student is allowed a choice. This choice may either be confined to a particular discipline (e.g. History) or unrestricted from among all offerings ("open" option).

– (b) where no direct equivalent exists, an "option" in the discipline, preceded by an indication of level of study (junior, senior; 100, 200, 300 or 1000, 2000, or 3000) is awarded (e.g. Jr. History).

Elective – see Option.

Unassigned or unspecified – see Option.

APPLICABLE TIME PERIOD

The arrangements for transfer credit noted in this Transfer Guide apply to courses being taken during the academic year 1988 - 1989 (July 1, 1988 to June 30, 1989). Credits for courses taken previously are governed by the Transfer Guide for the year in which the courses were taken. Where a student continues in a program on a full-time basis, no problem should occur. However, where a student interrupts or spreads the program out over a longer period of time, some problems may be encountered if the program requirements have changed. A student seeking transfer under these circumstances should seek advice from the institution offering the program which the student wishes to enter in order to determine the current status of admissions requirements and advance credit.

INSTITUTIONAL REQUIREMENTS

Within the context of the policies and procedures of the Alberta Council on Admissions and Transfer, each institution has particular requirements and practices for admission of students and the award of transfer credit. These institutional requirements are summarized in Section II of this Transfer Guide. **Students who are planning to transfer are advised to refer to the appropriate institutional calendar and to consult with the Registrar's Office at the receiving institution.**

DISTRIBUTION OF THE ALBERTA TRANSFER GUIDE

Copies of the Transfer Guide are sent each year to the Registrar's Offices of all post-secondary institutions and the Guidance Counsellors in each high school in the province, as well as public libraries throughout Alberta. The annual Alberta Transfer Guide may also be obtained free of charge from the following office:

Alberta Council on Admissions and Transfer
430 - 9942 108 Street
Edmonton, Alberta
T5K 2J5

Phone: (403) 422-9021

II. ADMISSION POLICIES AND RELATED INFORMATION FOR TRANSFER STUDENTS

The following statements have been provided directly by institutions. Other specific institutional regulations are included in the respective institutional calendars.

Alberta College of Art

Admission Requirements

1. Entrance prerequisites for admission to Foundation year are:
   (a) an Alberta High School Diploma or equivalent,
   (b) completion of Entrance Portfolio.

2. Mature Students:
   (a) must be 21 years of age or older, and out of high school for more than one year.
   (b) must present documentation of successful completion of Grade 12 English or equivalent. (English 30 is recommended.)

3. Direct Entry/Advanced Standing Applications:
   (a) must have completed a minimum of one year in an equivalent art program at a post-secondary institution.
   (b) must submit a portfolio of 35mm slides. Applicants for direct entry into the Visual Communications program must submit a portfolio of 15 - 25 pieces of original art work. Contact the Registrar's Office for deadlines.

Transfer Policy

Up to a maximum of two years of advanced credit will be granted on a course-by-course basis for work successfully completed at other post-secondary institutions, provided that it is appropriate to the student's program at the Alberta College of Art.

Further information regarding admission and transfer credit may be obtained from:

Office of the Registrar
Alberta College of Art
1407 - 14th Avenue, N.W.
Calgary, AB T2N 4R3

Phone: (403) 284-7634

Alberta Hospital Edmonton School of Nursing

Admission Requirements

Applicants to the two year psychiatric nursing program must achieve an overall average of 60% on five appropriate 30-level subjects and a mark of at least 55% in each course. The required subjects are listed in the Calendar.

Applicants who do not meet the regular admission requirements but who are over 21 years of age must have a minimum overall average of 60% in three 30-level subjects and a mark of at least 55% in each. The required subjects are indicated in the Calendar.

Transfer Policy

Advance credit may be granted for equivalent courses completed at other post-secondary institutions. Transcripts must be submitted with the application and students will be informed of advance credit granted upon admission. Students wishing to transfer from another Psychiatric Nursing Program will be considered on an individual basis.

Further information regarding admission and transfer credit may be obtained from:

School of Nursing
Alberta Hospital Edmonton
Box 307
Edmonton, AB T5J 2J7

Phone: (403) 472-5386 or 472-5359

Alberta Hospital Ponoka School of Nursing

Alberta Hospital Ponoka offers a 90 week program in Psychiatric Nursing. Upon passing the Certifying Examinations the graduate is entitled to use the designation, Registered Psychiatric Nurse – R.P.N.

Throughout the program the biological and social science support courses are offered under contract by a community college and carry transfer credit for further career development in nursing or other academic programs.

Admission Requirements

Applicants are required to have a minimum mark of 55% and an overall average of 60% in five 30-level subjects as listed in the Calendar.

Applicants who do not meet the regular admission requirements but who are over 21 years of age must present a minimum mark of 55% and an average of 60% in three 30-level subjects as listed in the Calendar.

Due to the nature of the program, students are strongly advised to acquire a Basic Rescuer Level – C.P.R. course prior to entering the program.

Transfer Policy

Upon admission to the program, transfer credit may be granted for appropriate courses completed at other post-secondary institutions with a minimum grade of 5 using the 9-point grading system. Students wishing to transfer previous structured nursing courses will be considered on an individual basis.

Further information regarding admission and transfer credit may be obtained from:

School of Nursing
Alberta Hospital Ponoka
Box 1000
Ponoka, AB T0C 2H0

Phone: (403) 783-7603

Athabasca University

Athabasca University is dedicated to the removal of barriers that traditionally restrict access to and success in university-level studies, and to increasing equality of educational opportunities for adult Canadians regardless of their prior academic credentials. In common with all universities, Athabasca University is committed to excellence in teaching, research and scholarship, and to being of service to the general public. More specifically, Athabasca University has a general mandate from the Government of Alberta to provide university education in liberal and applied studies through self-study instructional materials, the provision of lecture courses in smaller centers and the use of various forms of educational technology in the delivery of educational experience.

Admission Requirements

Athabasca University has an open admissions policy. Effectively, this means there are no formal high school prerequisites for admission to the University. Applicants, however, must be at least eighteen years of age and residents of Canada. Past academic performance at other post-secondary institutions will not affect a student's admissibility to Athabasca University.

Credit-Coordination

Athabasca University has a mandate to act as a credit-coordinating agency. For practical purposes, this means that:

1. Athabasca University will endeavour, as much as possible, to articulate its programs with those of other post-secondary institutions;
2. Athabasca University will give careful consideration to the awarding of transfer credit for university-level work or its equivalent, undertaken at a wide variety of post-secondary institutions;
3. In general, credit courses completed at other Alberta degree-granting institutions will be awarded as transfer credit if it is applicable to the student's Athabasca University degree or University Certificate program; and

4. Courses that are acceptable for transfer to one or more of the other Alberta degree-granting institutions will be transferred to Athabasca University, **if appropriate to the student's degree program** with the exception of 100-level courses, which will be transferred on an individual basis only **and Business Administration courses** which are evaluated and added to this Guide under the terms of a specific arrangement.

Degree Programs

Athabasca University has established a Bachelor of General Studies (BGS) degree which is offered for individually designed educational programs without a residence requirement.

The Bachelor of Administration degree program has been designed for students who are interested in furthering their education in the field of management, who are working in management and are concerned with professional development or who wish to raise their qualifications for career advancement.

The Bachelor of Arts degree program has been designed to permit students to pursue programs in their own areas of interest within the Arts and Sciences and ensures at least some familiarity with several disciplines. Students have the option of choosing a concentration in one of six areas: Canadian Studies, English, French, History, Psychology or Sociology/Anthropology.

University Certificate Programs

Certificate programs in administration or public administration require a total of 30 credits, 15 of which must be Athabasca University course credits. Students may find the university certificates useful to enter or re-enter the job market, for changing fields of occupation, or for promotion within the public sector.

Transfer of Credit to Athabasca University

1. Any post-secondary courses considered for transfer credit must have been completed with a grade equivalent to Athabasca University's minimum passing grade of 60 per cent. This corresponds to a grade of "2" in a four-point scale, a grade of "5" on a nine-point scale, and a grade of "C" on the alphabet scale.
2. University transfer courses will generally be considered for transfer credit. Post-secondary courses which do not have university transfer status will be considered for credit on a limited basis where permitted within the student's degree program. All credit transferred to the Bachelor of Administration degree program must be university-level credit, university transfer credit or credit obtained through a degree-granting institution.
3. Six credits of preparatory courses (100-level) may be considered for transfer toward a first degree program at Athabasca University providing that an equivalent course was not completed at the senior matriculation level.
4. Credit will not be granted for individual field placement, practicums, professional seminars, work experience, life experiences, or elementary skills except when these are part of a complete professional certification.

Further information regarding admission and transfer credit may be obtained from:

Office of the Registrar
Admissions Services
Athabasca University
Box 10000
Athabasca, AB T0G 2R0

Phone: (403) 675-6168

The Banff Centre

The Banff Centre is not a degree-granting institution nor does The Centre design its programs to specifically meet the requirements of other institutions. The School of Fine Arts aspires to provide the highest level of training and development appropriate for experienced professional artists wishing to extend their abilities and enhance their careers. Acceptance into Banff Centre programs is based either on audition or adjudication of a body of creative work and on the recommendation of professionals in the field and not on the basis of academic achievement. Students would be unlikely to "transfer" from or to The Banff Centre, rather they may attend School of Fine Arts summer programs concurrently with attendance at another institution or attend winter or summer programs during the course of a career or after completing formal studies elsewhere.

Further information may be obtained from:

Registrar
The Banff Centre
School of Fine Arts
Box 1020
Banff, AB T0L 0C0

Phone: (403) 762-6100

Camrose Lutheran College

Effective 28 June 1985, Camrose Lutheran College is authorized by the Government of Alberta under provisions of the Universities Act to grant the following degrees:

THREE-YEAR DEGREES (with various majors)
- B.A. (General)
- B.Sc. (General)

FOUR-YEAR DEGREES
- B.A. (Special), with majors in Biological Sciences, English, History, Music, Psychology, and Religious Studies
- B.Sc. (Special), with majors in Biological Sciences and Psychology.

The College is a member of the Association of Universities and Colleges of Canada (AUCC), effective 8 October 1987.

Admission Requirements

Students may be admitted to the College on the basis of matriculation standing or on the basis of appropriate post-secondary studies, or as adult students. All students must demonstrate an adequate knowledge of written and spoken English as a prerequisite to admission. Applicants should consult the College Calendar for details concerning these requirements.

Transfer Policy

1. The basic principle of the College's transfer policy is that courses acceptable for credit at one or more of the four Alberta universities are normally transferable to Camrose Lutheran College, provided that they are appropriate to the student's degree program at the College.
2. Transfer credit will be granted for relevant and acceptable courses only if acceptable grades have been earned in them. The minimum acceptable grades for transfer courses are grades of "5" or equivalent in courses on the major, except that one grade of "4" is permitted, and grades of "4" or equivalent in other courses (using the 9-point grading system).
3. Degree programs at Camrose arise out of the liberal arts tradition. The maximum number of specialized professional courses is two full-course equivalents in a three-year (General) program and three full-course equivalents in a four-year (Special) program.
4. Transfer credits are limited by the College's residence requirement. Normally, the final five full-course equivalents for a three-year (General) degree or the final ten full-course equivalents for a four-year (Special) degree must be taken at Camrose Lutheran College.
5. Transfer credits may also be limited by other degree requirements, such as maximum numbers of junior courses and of repeated courses, as outlined in the College Calendar. Further information regarding admission and transfer credit may be obtained from:

The Director of Admissions
Camrose Lutheran College
4901 - 46 Avenue
Camrose, AB T4V 2R3

Phone: (403) 679-1100

Canadian Union College

Transfer Credit Policy

1. Advance credit may be granted for studies completed at other post-secondary institutions, provided that they are appropriate to the student's program at Canadian Union College.
2. For advance credit consideration, applicants must submit official transcripts from each college or university attended.
3. Students requesting advance credit are normally expected to complete a minimum of four full courses (or 12 semester credits) in residence before advanced credit will be entered on the transcript.
4. Advance credits are limited by the residence requirement of the College.

Further information regarding admission and transfer credit may be obtained from:

Office of the Registrar
Canadian Union College
Box 430
College Heights, AB T0C 0Z0

Phone: (403) 7(-3381

Concordia College

Effective 16 July 1988, Concordia College is authorized by the Government of Alberta under provisions of the Universities Act to grant three-year Bachelor of Arts and Bachelor of Science degrees.

Admission Requirements

Admission to Concordia College's Degree Programmes depends upon successfully meeting the admission requirements as specified in the College Calendar for the various programmes of study. Generally a minimum overall average of 60% on the five appropriate Grade 12 courses is required. Specific requirements are clearly outlined in the College Calendar.

Upgrading Programme (CUMUP)

Students who do not meet standard admissions requirements may be admitted to a first-year Combined University Matriculation Upgrading Programme.

Under the Adult Admission category students aged 21 years and over may be admitted to university studies.

Transfer Policy

1. Advance credit may be granted for studies successfully completed at other post-secondary institutions, provided that they are **appropriate to the student's programme** at Concordia College.
2. For advance credit consideration, applicants must submit complete official transcripts of all prior post-secondary studies.
3. The minimum acceptable course grade for advance credit to be considered is a "4", or its equivalent, on the 9-point system.

Further information regarding admission and transfer credit may be obtained from:

Office of the Registrar
Concordia College
7128 Ada Boulevard
Edmonton, AB T5B 4E4

Phone: (403) 479-8481

Fairview College

Admission Regulations

Entrance requirements for each Fairview College program are outlined in the detailed program section of the College Calendar. Applicants who do not possess the minimum admission requirements but are at least 18 years of age, have been out of school for at least one year, and have personal or work experience relative to the intended program of study may be admitted on Adult Status. In order to assist Program Advisors with student placement and counselling, applicants may be required to take skill appraisal examinations.

Advanced Credit

Advanced credit may be granted in some courses at Fairview College. Requests for advanced credit must be received before the beginning of the session in which the course is offered and must be approved by the Department Head. Official transcripts must be submitted in support of all requests for advanced credit.

Further information regarding admission and transfer credit may be obtained from:

Registrar's Office
Fairview College
Box 3000
Fairview, AB T0H 1L0

Phone: (403) 835-6605

Foothills Hospital School of Nursing

Admission Requirements

1. Applicants are required to possess an overall average of 60% in five 30-level subjects, with no mark of less than 50%. The courses are outlined in the Calendar.
2. Applicants who are 23 years of age or over are required to present three senior matriculation courses as outlined in the Calendar. These courses must have been completed with a minimum of 60% in each.
3. Admission requirements for out-of-province and out-of-country applicants are outlined in the Calendar.

NOTE: Enrolment in the School of Nursing is limited.

Transfer Policy

1. Transfer Credit may be awarded to students in non-nursing courses successfully completed at an accredited post-secondary institution.
2. No consideration for credit will be given until the applicant has submitted complete official transcripts of all prior post-secondary studies.
3. The minimum acceptable grade for transfer credit is a "C", or its equivalent, on the alphabetic scale.

Further information regarding admission and transfer credit may be obtained from:

Registrar's Office
Foothills Hospital School of Nursing
1441-29th Street N.W.
Calgary, AB T2N 4J8

Phone: (403) 270-1448

Grande Prairie Regional College

Admission Regulations, General

1. High School diploma, or
2. Age of 18 years or older

Either of the above will secure admission to the College, but not necessarily direct entrance to the desired program. An applicant deficient in pre-requisites for a specific program will be admitted to an appropriate academic development or combined program.

Transfer Credit Regulations

Advance credit may be granted for studies completed at other post-secondary institutions so far as the courses completed are suitable to the program in which the candidate is enrolling, and in keeping with the academic regulations of the instructional division/department concerned. Official transcripts must be provided by the applicant. Direct inquiries to the Registrar.

Challenge Credit

In some courses an applicant may obtain credit by successfully challenging an examination set by the department concerned. Application must be made through the Office of the Registrar.

Further information regarding admission and transfer credit may be obtained from:

Registrar's Office
Grande Prairie Regional College
10762 - 106 Ave.
Grande Prairie, AB T8V 4C4

Phone: (403) 539-2918

Grant MacEwan Community College

Admission Regulations

Applicants to Grant MacEwan Community College must meet either Regular Admission Requirements (possess an Alberta high school diploma or its equivalent) or Mature Admission Requirement (be 18 years of age or over and out of school for at least one year). Certain programs have modified age requirements, and Nursing requires successful completion of a selected range of grade XII courses, as do the University Transfer programs. All applicants must complete an appraisal of their writing and reading skills (for some programs, other skills as well) to ensure that they are equipped for College programs.

Transfer Credit Regulations

1. Any student who at the post-secondary level has completed (with a minimum grade of "C") the equivalent of a subject offered by Grant MacEwan Community College may request transfer credit for that subject. A ten-year limitation shall normally apply.
2. Transfer credit may be given for experience in a particular field.
3. Transfer credit shall not normally exceed 50% of the total credits required for graduation from any certificate or diploma program at Grant MacEwan Community College.

Further information regarding admission and transfer credit may be obtained from:

Registrar's Office
Grant MacEwan Community College
Box 1796
Edmonton, AB T5J 2P2
Phone: (403) 483-2335

Keyano College

1. Advance credit may be granted to applicants who have completed equivalent studies at a post-secondary Canadian institution.
2. For advance credit consideration, applicants must submit official transcripts of their total post-secondary training. See College Calendar.
3. The appropriate Chairman within Keyano College will determine the credit to be granted and advise the Registrar. The Registrar will communicate with the applicant.
4. Advance credits are awarded only to the extent that they fit the program in which the applicant is enrolling, and are valid only if the student completes at least half the program at Keyano College.
5. All transfer of credit shall be governed by the applicable Academic Regulations.

Further information regarding admission and transfer credit may be obtained from:

Registrar's Office
Keyano College
8115 Franklin Ave.
Fort McMurray, AB T9H 2H7
Phone: (403) 791-4800

The King's College

Effective 12 March 1987, The King's College is authorized by the Government of Alberta under provisions of the Universities Act to grant a three-year Bachelor of Arts degree. The College also offers courses in a number of areas for transfer into programs at other colleges and universities.

The College is a provisional member of the Association of Universities and Colleges of Canada (A.U.C.C.), effective 5 May 1988.

Admission Requirements

The College admits students with a 60 percent average in certain high school courses, as published in the College Calendar, or on the basis of appropriate post-secondary studies. By means of the Mature Students Admission

category, students over 21 are admitted without necessarily meeting specific high school admissions requirements. However, these students and foreign students may be required to take a special English Supplementary Examination to ascertain their English reading and writing proficiency.

General Degree Requirements

Thirty term courses (90 credits) are required for the B.A. degree, distributed as follows:

Two term courses are required in each of the following:
English literature, history, philosophy, theology, social science, fine arts, natural science (with lab).

For a concentration, 8-12 term courses are required in one of biology, English, history, music, or philosophy, or at least 12 term courses in the social sciences. Students will be expected to take a substantial portion of their concentration courses at The King's College.

Remaining courses to make up 30 are open electives.

Transfer Policy

1. Students in good standing in their past work in a Canadian university or other post-secondary institution may transfer to The King's College by submitting an Application for Admission. Transfer credit for courses successfully completed will be given where courses are appropriate for the student's program requirements at The King's College.
2. Courses offered at other Alberta degree-granting institutions are normally acceptable for transfer credit, provided they are appropriate to the student's program.
3. Students must submit official transcripts of their entire post-secondary experience.
4. Only courses with a grade of "5" or better on the nine-point scale will be considered for transfer credit in the B.A. area of concentration, and only courses with a grade or "4" or better will be considered for transfer credit in all other cases.
5. Since a maximum of 6 term courses (18 credits) of what is considered a professional nature are accepted as meeting B.A. graduation requirements, no more than 6 term courses of such a nature will be accepted for transfer credit.
6. Transfer credit will not be granted for more than 20 term courses (60 credits) toward B.A. graduation requirements. Six of the last 10 term courses (18 credits) of the degree program must be completed at the College. Transfer credit may also be limited by other factors such as allowable numbers of junior courses.
7. Students who have earned International Baccalaureate credits will be considered for advanced standing or college credit. They will be evaluated individually to determine what credit, if any, they should receive for their International Baccalaureate work.
8. The King's College will accept non-matriculants who have successfully completed at least the course equivalent of a one year, full-time program of study at a community college, technical institute or provincially administered institution, and who are recommended for admission in writing by the registrar of the sending institution. This letter of recommendation should specify how equivalents are deemed to have satisfied the matriculation requirements of The King's College. (These applicants may be subject to further selection procedures prior to admission to a specific program of study.)

Students who wish further information about admission or transfer should contact:

The Registrar
The King's College
10766 - 97 Street
Edmonton, AB T5H 2M1

Phone: (403) 428-0727

Lakeland College

Students who have pursued a course of studies at another post-secondary institution may apply for transfer of credits to the program they are enrolling in at Lakeland College. Students wishing to obtain such credit (OR Alberta High School credit for vocational, technical and special courses) SHOULD CONSULT WITH THE REGISTRAR WHEN REGISTERING FOR THE FIRST SEMINAR OR ANY PROGRAM AT THE COLLEGE.

1. Students with average or better standing in any equivalent subject (post-secondary level) may be awarded advance credits in the appropriate subject(s).
2. Advance credits will be applied directly to Lakeland College credit requirements needed for graduation provided the student completes at least half the program at Lakeland College.
3. Students who have a particular skill or body of knowledge due to previous study or experience may request a comprehensive challenge examination. If successful, credit for equivalent subjects offered by Lakeland College will be granted.

Further information regarding admission and transfer credit may be obtained from:

Registrar's Office
Lakeland College
Vermillion, AB T0B 4M0

Phone: (403) 853-8400

Lethbridge Community College

1. Transfer credit shall be treated as advance credit, and shall be governed by the applicable Academic Regulations.
2. Official transcripts of post-secondary course work must be submitted in support of requests for advance credit.
3. Credit may NOT be awarded for course work completed seven (7) or more years prior to the date that standing is posted.
4. Only courses with an equivalent grade of "C" or higher will be considered for advance credit.
5. Advance credit shall not exceed 50% of the total credits required for graduation from any Certificate or Diploma Program at Lethbridge Community College.

Further information regarding admission and transfer credit may be obtained from:

Office of the Registrar
Lethbridge Community College
3000 College Drive South
Lethbridge, AB T1K 1L6

Phone: (403) 320-3280

Medicine Hat College

Admission Regulations

Admission to Medicine Hat College depends upon successfully meeting the admission requirements which differ with the various programs. Specific admission requirements are clearly outlined in the College Calendar. Early Childhood Development, Travel Consultant, and Rehabilitation Services programs all require personal interviews before final selection.

Challenge for Credit

In a limited number of courses, a student may obtain credit by successfully challenging a demanding examination, set by the department concerned. Application must be made through the Office of the Registrar.

Advanced Credit Policy

1. Advanced credit may be granted for courses completed at public universities, colleges and technical institutes in Canada and in the United States. Assessment will be on an individual basis and will depend upon the accreditation of the sending institution.
2. Advanced credit is only granted for Medicine Hat College certificate and diploma programs.
3. Medicine Hat College will accept only those courses for advanced credit with a grade of "C" or better.
4. Under normal circumstances no advanced credit will be granted for course work completed more than 10 years prior to the date on which advanced credit is requested.
5. No more than 10 semester courses or 30 semester hours of advanced credit will be granted towards a Medicine Hat College two year diploma.
6. No more than 5 semester courses or 15 semester hours of advanced credit will be granted towards a Medicine Hat College one year certificate.
7. All advanced credit decisions will be coordinated through Student Services. The Registrar and the appropriate Department Head will discuss and make decisions on advanced credit based upon institutional policy.

Further information regarding admission and transfer credit may be obtained from:

Registrar's Office
Medicine Hat College
299 College Drive
Medicine Hat, AB T1A 3Y6

Phone: (403) 529-3819

Mount Royal College

General Admission Regulations

All applicants seeking admission to Mount Royal College must possess an Alberta High School diploma (or equivalent) or have left high school and be 18 years of age or older by the last day of the semester to which they are applying.

Due to the range and depth of materials covered, applicants to particular programs may be required to satisfy additional entrance and screening requirements. More detailed information is provided in the College Calendar or may be obtained from the Office of the Registrar and Director of Admissions.

All credit programs at Mount Royal College have enrollment limitations, so it may not always be possible to accommodate every applicant who satisfies the minimum admission requirements.

Transfer Credit Regulations

1. Advanced credit may be granted for course work completed at approved or accredited post-secondary educational institutions. Transfer credit will be considered only for those courses which have been completed with a grade of at least "C" (or the appropriate numerical equivalent), which can be directly equated to a current course offering at Mount Royal College, and which are applicable to the particular diploma or certificate program in which the student is enrolling.
2. For transfer credit purposes, Mount Royal College will recognize grades awarded by The University of Calgary on the same basis as The University of Calgary accepts grades awarded by Mount Royal College. However, advanced credit for course work completed at The University of Calgary will be allowed only if the overall grade point average of all University of Calgary courses to be transferred to Mount Royal College is at least 2.00 (on a four-point scale).
3. The maximum period of validity for the application of any transfer credits toward a Mount Royal College credential is six (6) years from the date of the successful completion of the appropriate course work.
4. The amount of advanced credit that may be awarded is limited by the College regulation on residence which specifies that the last 50% of the course work required for the award of a Mount Royal College parchment must have been completed at the College.
5. Advanced credit will be considered only for course work which does not duplicate in content a course previously completed and which is directly applicable to the two-year diploma or one-year certificate program in which the student is enrolling.
6. Applicants seeking advanced credit are required to provide the Office of the Registrar with official transcripts from all post-secondary institutions attended and, as deemed necessary by the Office of the Registrar, with appropriate course descriptions, detailed course outlines, lists of textbooks used, and any other documentation needed to evaluate the course work for which transfer credit is requested. The final decision regarding transferability or equivalence of course work completed at other post-secondary institutions will be made at the discretion of the College Registrar, acting on the advice of the appropriate department chairperson(s).

Credit by Challenge Examinations

Students may be granted advanced credit for a limited number of introductory-level College courses by successfully challenging examinations set by the department(s) concerned. More detailed information is provided in the College Calendar. Application for credit by challenge examination must be made through the Office of the Registrar and Director of Admissions.

Further information regarding admission and transfer credit may be obtained from:

Registrar and Director of Admissions
Mount Royal College
4825 Richard Road S.W.
Calgary, AB T3E 6K6

Phone: (403) 240-3722

Northern Alberta Institute of Technology

The Northern Alberta Institute of Technology serves within the context of Alberta's advanced education system to design and deliver post-secondary, non-university career training which is effective in terms of meeting student expectations and the skilled manpower requirements of business and industry, and efficient in terms of the use of resources.

Transfer and Advance Credit

A student with applicable education or experience is encouraged to apply for transfer or advance credit. Credit to be awarded will be determined by the Program Head, on the basis of these guidelines:

1. Transfer or advance credit may be obtained by submitting academic transcripts or documentation to the NAIT Registrar, with a completed NAIT Application for Admission form.
2. A student who has successfully completed year one of a Transfer Program will be accepted into year two of the corresponding NAIT program.
3. A student who has partially completed a Transfer Program may be accepted into the corresponding NAIT program as a Special Student. The sending institution should provide a written recommendation regarding the student's qualifications. The student should send NAIT the recommendation, statement of grades or transcript and a completed NAIT Application for Admission form. An interview of the applicant with the Program Head may be required prior to final acceptance.

High School Equivalency

An applicant who has the equivalent of a high school diploma will receive credit comparable to NAIT Pre-Technology graduates. Applicants are required to submit a high school transcript along with a completed NAIT Application for Admission form.

Quota Limitations

Entry into the second year, or a specific option, of a NAIT program may be subject to quota limitations.

Honours Diploma, Bursaries, and Awards

Consistent with principle (f) on page 124 of this Transfer Guide, transfer students will be eligible for Honours standing, bursaries, and awards under the same conditions applicable to all NAIT students.

Further information can be obtained from:

The Registrar
Northern Alberta Institute of Technology
11762 - 106 St.
Edmonton, AB T5G 2R1

Phone: (403) 471-7411

Olds College

Admission Regulations

Admission requirements at Olds College vary by program and are specified in the College Calendar.

Advanced Standing/Advanced Placement Regulations

1. Applicants who have been accepted into an Olds College program may be granted recognition for courses successfully completed at another post-secondary institution no later than 5 years prior to admission to the program in two ways:
   - Advanced Standing – students are granted credit for previous course work equivalent to courses offered by Olds College as relates to their program.
   - Advanced Placement – students are exempted from courses offered by Olds College as part of their program but must substitute other courses to complete graduation requirements.
2. Only courses in which the applicant has achieved a minimum grade of "B" or "70%" or "6" on a 9-point system or "3" on a 4-point system will be considered.
3. In general, advanced standing will be granted for courses which are equivalent to offerings at Olds College and are applicable to the applicant's program.

4. The decision regarding equivalence will be at the discretion of the Registrar acting on the advice of the Dean concerned.
5. Applicants are required to submit official transcripts from the sending institution along with an Application for Advanced Standing and may be required to submit course outlines and other appropriate documents for evaluation purposes.
6. Grades for advanced standing courses are not recorded on the applicant's Olds College transcript.
7. The amount of advanced standing is limited by the College's residency policy.
8. The Registrar will notify applicants in writing of the decision regarding their Application for Advanced Standing.

Challenge Examination Regulations

1. Applicants who have been accepted into an Olds College program may be granted credit for acquired knowledge or skills which is relevant to the content of a course offered by Olds College by requesting and successfully passing a challenge examination.
2. Applicants must be registered in the course challenged, apply to challenge prior to a specified deadline for doing so, and pay a specified fee.
3. Challenge examinations are not permitted for the purpose of raising a grade.
4. Grades for courses successfully challenged by examination are recorded on the applicant's Olds College transcript.

Further information regarding admission and transfer credit may be obtained from:

The Registrar
Olds College
Olds, AB T0M 1P0

Phone: (403) 556-8281

Red Deer College

Red Deer College awards advanced credit, in consultation with the sending institution, to students transferring from other post-secondary institutions. The advanced credit is awarded on an individual basis, and is dependent upon the courses completed and the program into which the student is transferring.

Further information regarding admission and transfer credit may be obtained from:

The Registrar
Red Deer College
56 Avenue - 32 Street
Box 5005
Red Deer, AB T4N 5H5

Phone: (403) 342-3300

Royal Alexandra Hospitals School of Nursing

The Royal Alexandra Hospitals School of Nursing offers a 96 week diploma nursing education program.

Admission Requirements

A minimum overall average of 60% in five appropriate 30-level courses is required for admission. The courses are outlined in the Calendar.

Applicants who do not meet the regular admission requirements but who are over 21 years of age may be admitted with a minimum overall average of 60% in English 30, Chemistry 30, Biology 30.

Transfer Policy

Advance credit may be granted for courses successfully completed at other post-secondary institutions, provided that these courses are appropriate to the nursing program.

For advance credit, applicants must submit official transcripts of prior post-secondary studies. Requests for advance credit must be received prior to program commencement and must be approved by the Director – School of Nursing.

Further information regarding admission and transfer credit may be obtained from:

Selections Officer
School of Nursing
Royal Alexandra Hospitals
10415 - 111 Avenue
Edmonton, AB T5H 0B8

Phone: (403) 477-4929

Southern Alberta Institute of Technology

1. Advance credit will be granted to applicants who have completed equivalent education at an Alberta post-secondary institution or other Canadian institution.
2. The applicant must request advance credit and submit a complete transcript of marks indicating the courses taken, the hours for both theory and laboratory, and the grade attained.
3. The subject Department Head will evaluate the transcript and determine the credit to be granted and advise the Registrar. The Registrar will advise the applicant of the credit granted. It is the applicant's responsibility to ensure that the necessary paper work is completed.
4. There is no charge for advance credits granted for courses taken in Alberta post-secondary institutions but a fee of $5.00 per subject is charged for courses completed at other than Alberta institutions.
5. A student must be enrolled at SAIT for one complete academic year to qualify for a diploma.
6. The credit granted by a subject Department Head applies to a particular program and does not necessarily apply if the applicant changes programs.

Further information regarding admission and transfer credit may be obtained from:

The Registrar
Southern Alberta Institute of Technology
1301 - 16 Ave. N.W.
Calgary, AB T2M 0L4

Phone: (403) 284-8841

University of Alberta

General Statement

The University will accept students transferring from public and private affiliated colleges on the same basis as students transferring from a provincial university.

A student seeking transfer to the University following successful completion of 30 credits at a college will be considered for admission to the level of the **second year** at University.

A student seeking transfer to the University following successful completion of 60 credits on an approved university transfer program at a college will be considered for admission to the level of the **third year** at University.

A student seeking admission to the University following successful completion of less than 30 credits at a college will be considered for admission to the first year at the University. Such students will be granted advanced standing for the transfer courses completed.

Normally, approval will not be given to course proposals which generally require two years of university preparation as prerequisites.

The University of Alberta will accept courses from British Columbia post-secondary colleges if such courses are acceptable to the universities in British Columbia, and to the extent that they are applicable to the particular degree program applied for.

Some Elements of Transfer Policy

1. The basic principle is that transfer be considered only for those students whose previous academic records are satisfactory.
2. Students transferring from any college or university in which they obtained the minimum passing grade should be aware that transfer credit is not awarded for "D" level grades or equivalents, but will be used in calculating the student's GPA for purposes of admission.
3. The University does not insist that individual courses taken at the colleges have exact counterparts in the University curriculum in order that credit be granted on transfer. Moreover, the University will grant transfer on the basis of two full semesters of College study being equivalent to one year at the University, regardless of slight differences that may exist in the credit evaluation of some of the College courses as compared with their University counterparts. However, transfer cannot be permitted if an applicant is deficient in the academic preparation required of the program into which transfer is being requested. Where a course-to-course equivalent cannot be established, credit is granted, provided the standing is acceptable as "elective credit" . Students should be cautioned that specific program requirements may exist which cannot normally be fulfilled by elective credit.
4. Visiting Student – A student once enrolled and eligible to continue studies, who plans on obtaining a University of Alberta degree, may be guaranteed transfer credit from another institution only if prior permission has been obtained from the Faculty in which the student is enrolled.
5. Credit by Special Assessment – some Faculties will permit a student who has not enrolled in a specific course to "challenge" the course by writing an examination covering the course content. If the examination is passed the student will be given credit for the course.
6. Courses that have been successfully "challenged" at other institutions will be useful to provide advance placement at the University, but credit for such "courses" will not be guaranteed toward a degree.
7. In some disciplines, such as art, music, and theatre, it is impossible to provide an exact matching of college and university courses. In these situations the college courses are accepted on transfer in the category of "elective" credit in the particular discipline. Transfer of credit for the courses listed in this Guide to the B.F.A., B. Mus. and Honours programs in the Faculty of Arts at the University of Alberta will be at the discretion of the Faculty of Arts. Students planning to transfer to one of these programs should consult with the Student Programs Office of the Faculty of Arts at the University of Alberta.
8. A maximum of 60 credits (10 full course equivalents) may be transferred to the B.Ed. degree program but the amount of credit will be determined by the route (Secondary, Elementary, Industrial Arts, Vocational Education) as well as the major and minor chosen. All students should complete 9 credits of Education (EDPSY 263, EDFDN 201, ED PR 251) prior to admission to the Faculty. In order to receive maximum credit for the Elementary Route, students should also present 51 credits of Non-Education courses including all of the seven Elementary Elements and 12 credits of work at the 300-level. In order to receive maximum credit for the Secondary Route, students should also present 24 credits in the Major area of study, and a maximum of 12 credits in the Minor along with 15 Non-Education credits. For the Industrial Arts/Vocational Education Routes students may transfer no more than 30 credits including EDPSY 263, EDFDN 201, ED PR 251.

Admissions Information

1. *The Academic Year*
   The University of Alberta's academic year is divided into the following sessions:

WINTER SESSION (1st term)	: September - December
WINTER SESSION (2nd term)	: January - April
SPRING SESSION	: May - June
SUMMER SESSION	: July - August

2. *Application Deadlines*
   Students may apply for admission to any one of the above sessions. However, it should be noted that not all Faculties will accept transfer students to every one of the above sessions. Please find listed below the application deadlines for each session where admission is possible.

3. *Official Documents*
   Transcripts of your post-secondary work should be submitted to the Office of the Registrar with the application if possible, or as soon as they become available after the application deadline date.

Further questions concerning transfer and / or admission may be directed to:

Student Access Centre
Office of the Registrar
University of Alberta
Edmonton, AB T6G 2M7

Phone: (403) 432-4537

University of Alberta Hospitals School of Nursing

Admission Requirements

Applicants require five 30-level courses.

Applicants who are over 21 years of age require three 30-level courses.

A minimum of 60% is required and, if a Math at the 30-level is not presented for entrance requirements, a Grade 10 or 11 Math with a minimum of 65%.

Transfer Policy

Transfer credit may be granted for courses successfully completed at other post-secondary institutions, provided they are relevant, equate to, and adhere to the promotional criteria of the University of Alberta Hospitals School of Nursing. Courses must be completed prior to program commencement and be accompanied by an official transcript.

Further information regarding admission and transfer credit may be obtained from:

The Registrar
University of Alberta Hospitals
School of Nursing
8440-112 Street
Edmonton, AB T6G 2B7
Phone: (403) 432-6728

The University of Calgary

Admission Regulations

Prospective applicants should familiarize themselves with the entrance requirements for The University of Calgary. This information is provided in The University Calendar and may also be obtained by contacting the Admissions Section of the Registrar's Office. No student will be considered for admission or transfer credits unless the entrance requirements of the University are satisfied.

Applicants who are not Canadian citizens and who have not resided in Canada or another English-speaking country for at least five consecutive years prior to the session to which admission is sought must obtain a score of 580 or above on the Test of English as Foreign Lauguage (TOEFL) examination. Exemption from the requirement may be granted if the applicant has successfully completed at least three years of formal, full-time study at an English secondary or post-secondary institution in an English-speaking country during the five consecutive years immediately preceding the session to which admission is being sought.

Transfer Regulations

1. Transfer credit is not awarded for any course completed with a grade of "D" or equivalent (grade of "4" or less on a nine-point scale) unless it is a course offered at Medicine Hat College or Mount Royal College which carries the same course number and description as a University of Calgary course.
2. The academic standing of transfer applicants at their previous post-secondary institution(s) must be such that they would be allowed to proceed in a degree program at The University of Calgary. Students intending to transfer to the University should be aware that an excessive number of withdrawals or failures, or a cumulative grade point average below "2.0" (on a four-point scale) or below "5.0" (on a nine-point scale), may result in refusal of admission.
3. Transfer credits are awarded only to the extent that they fit the student's particular program at The University of Calgary. Courses which are not directly applicable to that program are considered extra to the student's degree.
4. The amount of transfer credit that may be granted is limited by the residence requirements of the different Faculties at the University. Students entering the Faculty of Physical Education may transfer a maximum of one full year of course work completed at another post-secondary institution, including only one full-ccurse equivalent in activity courses. The remaining Faculties normally allow credit for up to two full years of course work completed elsewhere. In addition, some Faculties stipulate the number of years students may take to complete a degree following initial registration. Courses for which transfer credit is allowed must also be completed within the same number of years. For example, if a student is permitted 8 years to complete a degree, courses for which transfer credit is granted must also have been completed within the same 8-year period.
5. Students attending The University of Calgary are not permitted to repeat a course more than once. Prospective transfer applicants should be aware of this regulation since courses completed a third or more times will not be accepted for advanced credit.
6. When selecting courses, prospective transfer students should be aware of the limit on the number of junior courses (100- and 200-level courses) that may be counted towards a degree program at The University of Calgary. Please refer to the University Calendar for further details.
7. Transfer students must ensure that they do not take duplicate courses, since no credit will be granted for those courses which duplicate in content a course previously completed.

8. The Alberta Transfer Guide contains a list of courses which have been evaluated by The University of Calgary as transferable credits on the basis of present working arrangements. The University does not necessarily consider the courses as exact equivalents to University of Calgary courses. However, to simplify registration procedures for new students, the courses are listed as if they were directly equated. Courses transferred from other post-secondary institutions may be used as prerequisites for senior-level courses at The University of Calgary.
9. Transfer students should familiarize themselves with the academic regulations printed in the University Calendar since these regulations will apply in all cases to transfer students.
10. The University of Calgary is contracted to offer the following courses as part of the Foothills Hospital Nursing diploma program: EDPS 213, ENGL 201, MDSC 200, PSYC 205, SOCI 201, SOC 371. Graduates of this diploma program who are subsequently admitted to the Post Diploma baccalaureate degree program at the University may not use these courses for further credit.

SOCIAL SCIENCES	B.A., B.Sc.	June 1	August 15	December 1	December 15
SOCIAL WELFARE	B.S.W.	March 15	June 15	Applications not accepted	

NOTES:
1. Applications for Admission to the Faculties of Management, Nursing (excluding Pre-Post Diploma) and Social Welfare are not accepted for the Winter Session.
2. Applications for Admission to the Faculties of Education (BEd, BEd/BA, BEd/BSc) and Physical Education for the Winter Session will only be considered if the quota permits additional admissions.

The application and transcript deadlines for the Spring and Summer Sessions are:

Spring Session	–	April 1	(applications)
	–	April 15	(transcripts)
Summer Session	–	May 1	(applications)
	–	May 31	(transcripts)

NOTES:

1. Applications for Admission to the Faculties of Education, Management, Nursing (excluding Pre-Post Diploma) and Social Welfare are not accepted for the Spring and Summer Sessions.
2. Only those applicants clearly admissible to the Faculties of Engineering and Physical Education will be admitted to the Spring and/or Summer Sessions; these Faculties recommend that new students enter the Fall Session.

Further information regarding admission and transfer credit may be obtained from:

Registrar's Office (Admissions)
The University of Calgary
2500 University Drive, NW
Calgary, AB T2N 1N4

Phone: (403) 220-6645

The University of Lethbridge

Transfer Policy

1. Students are referred to the appropriate section of The University of Lethbridge Calendar for information concerning the admission of transfer students.
2. Courses acceptable for credit at one or more of the other Alberta degree-granting institutions are normally transferable to The University of Lethbridge.
3. A student transferring to The University of Lethbridge from a college must have obtained a minimum cumulative grade point average of "2.00" or equivalent. Credit is not awarded for "D" grades or equivalent.
4. Transfer credit is awarded only to the extent to which it may be applied to the student's degree program.
5. Where unspecified credit is awarded, it is the responsibility of the student to consult the appropriate Department for academic advice.
6. Transfer students are advised of the twenty-semester-course residence requirements for the first degree.
7. Due to the unique nature of the Bachelor of Education program, all college students who intend to transfer into the Faculty of Education are advised to enrol in Liberal Arts courses appropriate to the chosen major, rather than in professional or Education courses. Approved Education courses are transferable to the extent to which they fit the individual student's program, to a maximum of four semester courses.
8. Transfer of credit for courses within the Bachelor of Fine Arts program or Bachelor of Music program is at the discretion of the School of Fine Arts. Students in these particular areas shall be expected to display a level of proficiency that allows them to continue in course sequences at The University of Lethbridge. In the case of Bachelor of Fine Arts students, a portfolio will be required; in the case of Bachelor of Music students, an examination and/or audition will be required.

Vocational Centres

Alberta Vocational Centre: Calgary, Edmonton, Grouard, Lac La Biche
Community Vocational Centres, Slave Lake

Admissions Regulations

The entrance requirements of Provincially Administered Institutions are in the Centre Calendars. Generally applicants are 17 years of age or older. Both Academic Upgrading and Career Programs are offered at the Centres. For the Career Programs, academic achievement, and the result of admissions testing may be considerations in selecting students. Depending on the program, applicants deficient in prerequisite courses may be admitted to the program for a trial period based on equivalency considerations. All programs having a prescribed grade level will accept as equivalent the General Education Development (G.E.D.) Diploma.

Transfer Credit

Credit may be granted to applicants who have completed courses at other post-secondary institutions. For transfer credit consideration, applicants must submit official transcripts to the Registrar at the time of application.

Assessment for credit is based on whether the courses are:
(a) equivalent to courses offered at the receiving institution,
(b) applicable to the applicant's program, and
(c) whether satisfactory grades were attained.

Further information regarding admission and transfer credit may be obtained from:

Westerra Institute of Technology

Westerra provides career training in a variety of areas including: Computer Engineering Technology, Water and Wastewater Technician, Gas Distribution Technician, Electrical Maintenance Technician, and Business programs.

At Westerra, admission requirements vary from program to program. Applicants who are 18 years of age or older and who have been out of secondary school for at least one year will be considered for admission based on previous education and experience. Westerra welcomes transfer students with previous post-secondary education. Advance credit will be granted for studies successfully completed at other post-secondary institutions, provided they are appropriate to the student's program.

Further information concerning admission and transfer credit can be obtained from:

Student Services
Westerra Institute of Technology
Box 5000
Stony Plain, AB T0E 2G0

Phone: (403) 963-1000

III. TRANSFER ARRANGEMENTS BY SENDING INSTITUTION

1. INTRODUCTION

This section lists the transfer arrangements between post-secondary education institutions in Alberta. It is arranged alphabetically by sending institution and may involve up to four transfer information components for each institution: (1) a list of programs transferable to degree-granting institutions, (2) a list of courses transferable to degree-granting institutions , (3) a list of programs transferable to non-degree-granting institutions, and (4) a list of courses transferable to non-degree-granting institutions.

The institution identified in the column on the left of the following tables is the sending institution: those on the right are receiving institutions. Programs and courses listed under the left column are referred to by the name and number designated by the sending institution. Programs and courses listed for each receiving institution's column represent the corresponding award of transfer credit with the names and numbers designated by the receiving institution. Where course equivalencies are listed, they are referred to by course code and number designated by the receiving institution. These course equivalents indicate to the reader that, provided the sending institution courses fit the requirements of the particular program entered, they will be accepted for transfer.

Please pay close attention to the following:

(1) The Transfer Guide indicates the **minimum transfer credit** which is available for prior post-secondary educational experience upon admission to a post-secondary institution. Additional transfer credit may be negotiable on an individual basis.

(2) In some cases, footnotes are used to indicate provisions under which the transfer arrangements apply for specific procedures involved in transfer. **Users of the Alberta Transfer Guide are advised to pay close attention to the footnoted comments.**

(3) Users of the Guide are also encouraged to **read, in conjunction with the following tables, the admission and transfer policies statements of the institution to which they are transferring**. These statements can be found in Section II of this Guide.

2. GENERAL STATEMENT OF PRINCIPLE ON INTERCOLLEGIATE TRANSFER POLICY IN ALBERTA

The following policy was adopted by the Committee of Senior Academic Officers of the Council of Presidents, Public Colleges and Technical Institutes of Alberta in March 1988 and was received by the Alberta Council on Admissions and Transfer in March 1988. The policy applies to the member institutions of the Council of Presidents.

The Alberta Council on Admissions and Transfer recognizes the growing importance of transfer activity among public colleges in Alberta and endorses the principle that the portability of educational credit among the public colleges must be optimized.

In keeping with this principle, but subject to the receiving institution's admission, continuation, and graduation requirements being satisfied, students who successfully complete the first year of a program at a public college in Alberta will normally be admitted to the second year in a similar program upon transfer to another Alberta public college. Transfer students should be accorded the same priority for registration as continuing students at the receiving institution. Sending institutions should identify for receiving institutions by December of any given year the potential number of transfer students to enable adequate planning for the accommodation of students in the system. The institution delivering the second year of studies will be responsible for granting the diploma.

Transfer prior to completion of the first year or after completion of more than the first year would be governed by current agreements and procedures.

Reciprocal program-to-program transfer agreements among the public colleges are to be negotiated and administered by the institutional Contact Persons in close consultation with the appropriate program coordinators.

3. NURSING PROGRAMS

Nursing Diploma graduates receive two years program credit upon admission to a university post-R.N. baccalaureate nursing degree program. The participating Hospital Schools of Nursing are: **Foothills Hospital, Misericordia Hospital, Royal Alexandra Hospitals,** and the **University of Alberta Hospitals.** The participating public colleges with nursing diploma programs are: **Grande Prairie Regional College, Grant MacEwan Community College, Keyano College, Lethbridge Community College, Medicine Hat College, Mount Royal College,** and **Red Deer College.** The participating Alberta Universities are: **University of Alberta, The University of Calgary,** and **The University of Lethbridge.**

Alberta College of Art

Transfer Arrangements to Degree-Granting Institutions

SENDING INSTITUTION | **RECEIVING INSTITUTION**

ALBERTA COLLEGE OF ART	U OF A	U OF C	U OF L	ATHABASCA UNIVERSITY	CAMROSE LUTHERAN COLLEGE	CONCORDIA COLLEGE
BY PROGRAM						
Alberta College of Art Diploma Program	Students transferring to the B.F.A. (Art & Design) Program who have completed the 3rd year or more of the A.C.A. diploma may be granted up to 2 years advanced credit in appropriate "studio" courses. Students with less than three years are also eligible for advanced credit as determined by the Art Department. Students transferring to the B.A. programs may be granted up to five "studio" courses in advanced credit. All students transferring credit must present a portfolio and recommendation from A.C.A.	Graduates of the A.C.A. may be granted, upon submission of a portfolio to the Art Department, up to 2 years of advanced credit in Art courses. Non-graduates are also eligible for advanced credit as determined by the Art Department upon submission of a portfolio. Applicants who have successfully completed a full first year of Art History with acceptable grades will be awarded advanced credit for Art 201/203 (Art History) (6).	Transfer credit is available depending upon individual assessment and program entered.	Transfer credit is available depending upon individual assessment and program entered.	Transfer credit is available depending upon individual assessment and degree program entered.	Transfer credit is available depending upon individual assessment and degree program entered.

AVC Grouard

Transfer Arrangements to Non-Degree-Granting Institutions

SENDING INSTITUTION	RECEIVING INSTITUTION
AVC GROUARD	**NAIT**
BY PROGRAM	
Business Administration Program	Students who have successfully completed all courses of this transfer program will be accepted directly into Year Two of the NAIT Business Administration Program. Those students who have not completed all courses of Year One may be accepted as special students upon a written recommendation from the AVC. A personal interview may also be required.

AVC Lac La Biche

Transfer Arrangements to Non-Degree-Granting Institutions

SENDING INSTITUTION	RECEIVING INSTITUTION			
AVC LAC LA BICHE	**NAIT**	**KEYANO COLLEGE**	**MOUNT ROYAL COLLEGE**	**LETHBRIDGE COMMUNITY COLLEGE**
BY PROGRAM				
Business Administration Program	Students who have successfully completed all courses of this transfer program will be accepted directly into Year Two of the NAIT Business Administration program. Students with an incomplete Year One may be accepted as special students upon a written recommendation from the AVC. A personal interview may also be required.	Students who have successfully completed all courses of this transfer program, will be accepted directly into Year Two of the Keyano program with the exception of credit course BA 110 which must be made up during the balance of their Keyano Program.		

SENDING INSTITUTION	RECEIVING INSTITUTION			
AVC LAC LA BICHE	**NAIT**	**KEYANO COLLEGE**	**MOUNT ROYAL COLLEGE**	**LETHBRIDGE COMMUNITY COLLEGE**
Bylaw Enforcement Officer/Special Constable Program			Students who have successfully completed all courses of this Program may be granted a maximum of six hours of advanced credit in the College's Criminology Security Program. This credit will only be granted upon successful completion of all of the course component of the College Program.	
Commercial Cooking	Students who have successfully completed all courses of the transfer program, will be accepted directly into Year Two of the NAIT Commercial Cooking Program. Students with an incomplete Year One may be accepted as special students upon a written recommendation from the AVC. A personal interview may also be required.			
Rehabilitation Services Program				Students who have successfully completed all courses of this transfer program will be accepted directly into Year Two of the LCC program.

[1] Students with credit in either Botany 205 or ZOOL 220 and without credit in Biology 200 will be required to complete BIOL 201 at The U. of C. before any other major courses may be taken in the Dept. of Biological Sciences.

[2] Students will not also receive credit for CHEM 350, 351 at The K. C.

[3] Students will not also receive credit for RELST 2020 at The U. of L.

[4] Credit will be allowed for only 1 of Computing Science 262 or 351. Computing Science 261 and 357 are not applicable for Computer Science majors.

[5] Students will not also receive credit for CSC 1600 at The U. of L.

[6] Credit contingent upon successful completion of The U. of L. lab.

[7] Will be considered as an Administrative Studies option on the B. Admin. program.

[8] Students will not also receive credit for ENGL 345, 346 at The K. C.

[9] Students will not also receive credit for ENGL 364 or 372 at U. of A.

[10] Students will not also receive credit for ENGL 354 at The K. C.

[11] Students will not also receive credit for ENGL 383 at U. of A.

[12] Students will not also receive credit for ENGL 362 or 391 at U. of A.

[13] Students will not also receive credit for ENGL 380 or 383 at U. of A.

[14] Transfer credit for French 100 or German 100 will be allowed only if student does not also present French 30 or 31 or German 30 or 31 (or equivalent) and does not use this subject to satisfy matriculation requirements. These courses are not available for credit in the Faculty of Education at The U. of C.

[15] Students will not also receive credit for BIO 354, 355 at The K. C.

[16] Credit will be allowed for only 1 of History 278 or 360 and History 279 or 361.

[17] Students will not also receive credit for HIST 360, 361 at The K. C.

[18] Students will not also receive credit for HIST 305 at The K. C.

[19] Students will not also receive credit for MATH 1450 at The U. of L.

[20] Students will not also receive credit for MATH 3450 at The U. of L.

[21] Students will not also receive credit for MUS 3521 at The U. of L.

[22] Audition required.

[23] Students will not also receive credit for MUSIC 307, 357 at The K. of C.

[24] Students will not also receive credit for PHSY 205 at U. of A.

[25] Those intending to complete senior-level Physics courses must consult with the Dept. of Physics at The U. of C. Course equivalents may vary depending on the student's program.

[26] Prospective Psychology majors must complete Psychology 309 and 360. Students presenting only 2 of Psychology 309 or 360 will not receive credit for the course towards a Psychology major and will be required to complete PSYC 312 at The U. of C.

[27] Psychology 341 and Sociology 341 may not both be presented for transfer credit to The U. of C.

[28] Students will not also receive credit for RELIG 347 at U. of A.

[29] Students will not also receive credit for SOCI 324 at The U. of C.

SENDING INSTITUTION	RECEIVING INSTITUTION						
GRANDE PRAIRIE REGIONAL COLLEGE	**U OF A**	**U OF C**	**U OF L**	**ATHABASCA UNIVERSITY**	**CAMROSE LUTHERAN COLLEGE**	**CONCORDIA COLLEGE**	**THE KING'S COLLEGE**

BY PROGRAM

The following represents the maximum number of years a student may complete at Grande Prairie Regional College by taking University Transfer courses toward a degree program in the following selected faculties. Courses may also be available at the College which may be transferable to degree programs not listed below. To receive maximum credit, students must successfully complete courses that are appropriate to the student's particular degree program at the receiving institution. For detailed information, please check with the Registrars and Calendars of both the College and receiving institution.

Agriculture/ Forestry	1 year						
Arts/Humanities/ Social Sciences	2 years	2 years	2 years	2 years	2 years	2 years	2 years

[1] The following G.P.R.C. courses are transferable to The U. of L. Business Education major: required core courses-B.A. 111/112 or OA 141/142 or AC 311/322, BA 142, OA 102/201; plus up to 3 options to be chosen from OA 110, 122 133; CS 214, 215, 351; BA 203, 214; EC 201, 202; OT 301; BA 109.

[2] See general statement regarding Nursing Programs on page 25.

[3] No credit in B.F.A. program.

[4] Only on B.A. and B.Ed. programs.

[5] Students will not also receive credit for BIO 354, 355 at The K. C.

[6] Students with credit in either Botany 205 or Zoology 220 and without credit in Biology 200 will be required to complete BIOL 201 at The U. of C. before any other major courses may be taken in the Dept. of Biological Sciences.

[7] Not acceptable for credit towards a Bachelor of Commerce degree program.

[8] Will be considered as Administrative Studies option on the Bachelor of Commerce degree program.

[9] Credit contingent upon successful completion of The U. of L. lab.

[10] Faculty of Engineering course.

Students will not also receive credit for CHEM 350, 351 at The K. C.

[12] Computing Science 261, 357 and Engineering 250 are not applicable for credit to Computer Science majors.

[13] Students will not also receive credit for MATH 271, CPSC 313 or 321 at The U. of C.

[14] Students will not also receive credit for CSC 1600 at The U. of L.

[15] Students will not also receive credit for DRAMA 360 at The U. of C.

[16] Students will not also receive credit for ECON 340 at The U. of C.

[17] Course may not be used as prerequisite for senior English courses.

[18] Does not meet Sr. English requirement at The K. C.

[19] Faculty of Education.

[20] Transfer credit for French 130 will be allowed only if the student does not also present French 30 or 31 (or equivalent) and does not use this subject to satisfy matriculation requirements. This course is not available for credit in the Faculty of Education at The U. of C.

[21] Credit is allowed only if a different "language other than English" is presented for matriculation. Students will not also receive credit for FREN 100 at U. of A.

[22] Students will not also receive credit for GEOG 381 at U. of A.

[23] Students will not also receive credit for GEOG 310 at A. U.

[24] Does not meet lab science requirement at The K. C.

[25] Students will not also receive credit for GEOG 350 at U. of A.

[26] Credit towards degree requirements will be allowed for only 1 of Management Science 301/312, Psychology 309, or Statistics 241 or 255, whichever is most appropriate to the degree program.

[27] Credit will be allowed for only 1 of Math 202, 203 or 212 and only 1 of Math 204 or 213.

[28] Students will not also receive credit for MATH 1450 at The U. of L.

[30] Students will not also receive credit for MATH 3450 at The U. of L.

[31] Students will not also receive credit for MUS 3521 at The U. of L.

[32] Students will not also receive credit for MUSIC 302 at The K. C.

[33] Students will not also receive credit for MUSIC 303 at The K. C.

[34] Transfer credit is assured only to B.A. programs. Credit may be given in the B.Mus. program, but only on individual assessment and only for approved instrument.

[35] Voice, saxophone, flute, oboe, bassoon, clarinet, brass, percussion and piano only.

[36] Clarinet, oboe, bassoon, flute, trumpet, horn, violin, viola, saxophone only.

[37] Piano, voice, flute, oboe, basson, trumpet, horn, violin, viola, clarinet, saxophone only.

[38] Credit for MUPF 251, 291, 293, 351, 391, 393; MUTC 201, 203, 301 and 303 is dependent upon successful completion of the student's placement test and audition with The U. of C. Credit for unassigned Music options may be allowed in other cases. However, such credit will not be awarded to Music majors or minors. Students will not also receive credit for MUPF 251, 291, 293, 351, 391, 393; MUTC 201, 203 301, and 303 at The U. of C.

[39] Audition required.

[40] Letter required from the Registrar at G.P.R.C. indicating the performance completed, i.e., Chamber Choir or Symphonic Band.

[41] Students will not also receive credit for PHIL 230 at U. of A.

[42] Only one year of credit is transferable to The U. of C.'s three-year Bachelor of Physical Education degree program. This one year may include only 1 full-course equivalent (6) in activity courses, of which only 1 quarter-course equivalent (1.5) may be at the 300-level (advanced).

[43] Movement requirements may be waived for Education students at The U. of L.

[44] Students will not also receive credit for PHYS 205 at U. of A.

[45] Students intending to complete senior-level Physics courses must consult with the Dept. of Physics at The U. of C. Course equivalents may vary depending on the student's program.

[46] No credit for students required to complete MDSC 200 or ZOOL 370 at The U. of C.

[47] Credit will not be granted for both POL S 322 and 323 at U. of A.

[48] No credit for Psychology 309 if majoring in Psychology at The U. of C.

[49] Not accepted for credit towards Bachelor of Commerce degree.

[50] STAT 1770 waived for Management students.

Transfer Arrangements to Non-Degree-Granting Institutions

SENDING INSTITUTION	RECEIVING INSTITUTION
GRANDE PRAIRIE REGIONAL COLLEGE	**NAIT**
BY PROGRAM	
Electronics Engineering Technology	Students who have completed the first year of this program will be admitted directly into Year Two at NAIT, if space is available. Students with an incomplete Year One may be accepted as special students upon written recommendation from the College. A personal interview may also be required.

Grant MacEwan Community College

[1] Students will not also receive credit for ANTHR 306 or 307 at U. of A.

[2] Portfolio required.

[3] Must also have credit in ART 232 and portfolio and Dept. of Art and Design recommendation.

[4] Portfolio and Dept. of Art and Design recommendation required.

[5] Must also have credit in ART 240 and portfolio and Dept. of Art and Design recommendation.

[6] Students will not also receive credit for MATH 244 at A.U.

[7] Credit contingent upon successful completion of The U. of L. Lab.

[8] On Bachelor of Commerce program.

[9] Accepted for Jr. BIOL at the 200-level.

[10] Students will not also receive credit for BIO 354, 355 at The K.C.

[11] Students will not also receive credit for CHEM 350, 351 at The K.C.

[12] CU 261.3, 262.3 and 357.3 are not applicable for credit to Computer Science majors at The U. of C.

[13] Students will not also receive credit for CPSC 211 at The U. of C.

[14] Students will not also receive credit for CSC 1600 at The U. of L.

[15] Credit will be allowed for a Jr. ENGL (3) if any two of EN 203.3, 302.3, 303.3, 304.3 are completed.

[16] Students will not also receive credit for HIST 360, 361 at The K.C.

[17] Students will not also receive credit for MATH 1450 at The U. of L.

[18] Students will not also receive credit for MATH 3450 at The U. of L.

[19] Students intending to complete senior-level Physics courses must consult with The Dept. of Physics at The U. of C. Course equivalents may vary depending on the student's program.

[20] PY 309.3 is not open for credit to Psychology majors at The U. of C.

[21] Students will not also receive credit for PSYCH 330 at The K.C.

[22] Students will not also receive credit for PSYCH 390 at The K.C.

[23] PSYCO 341 and SOC 341 may not both be taken for credit at U. of A.

[24] PSYCO 389 and 489 may not both be taken for credit at U. of A.

[25] Letter required from Program Head, Rehabilitation Practitioner Program indicating successful completion of appropriate Module.

[26] Transfer credit for FR 101.4/102.4 will be allowed only if the student does not also present French 30 or 31 (or equivalent) and does not use this subject to satisfy matriculation requirements. This course is not available for credit in the Faculty of Education at The U. of C.

[27] Students will not also receive credit for FREN 3210 at The U. of L.

[28] Students with credit in ZO 220.3 and without credit in BI 200.3 will be required to complete BIOL 201 at The U. of C. before any other major courses may be taken in the Dept. of Biological Sciences.

Keyano College

Transfer Arrangements to Degree-Granting Institutions

SENDING INSTITUTION	RECEIVING INSTITUTION						
KEYANO COLLEGE	**U OF A**	**U OF C**	**U OF L**	**ATHABASCA UNIVERSITY**	**CAMROSE LUTHERAN COLLEGE**	**CONCORDIA COLLEGE**	**THE KING'S COLLEGE**

BY PROGRAM

The following represents the maximum number of years a student may complete at Keyano College by taking University Transfer courses toward a degree program in the following selected faculties. Courses may also be available at the College which may be transferable to degree programs not listed below. To receive maximum credit, students must successfully complete courses that are appropriate to the student's particular degree program at the receiving institution. For detailed information, please check with the Registrars and Calendars of both the College and receiving institution.

[1] See general statement regarding Nursing Programs on Page 25.

[2] Arts option only, not to be used in B.F.A. degree.

[3] Transfer is approved, subject to acceptance of a portfolio.

[4] Students will not also receive credit for BIO 354, 355 at The K.C.

[5] Students with credit in either Botany 205 or ZOO 220 and without credit in Biology 200 will be required to complete BIOL 201 at The U. of C. before any other major courses may be taken in the Dept. of Biological Sciences.

[6] Credit contingent upon successful completion of The U. of L. lab.

[7] Three of these 6 Jr. CMPUT credits may be used to meet the 3 Junior credit compulsory Computing Science core requirement on the Bachelor of Administration program.

[8] Students will not also receive credit for STAT 1770 at The U. of L.

[9] Will be considered as an Administrative Studies option on the Bachelor of Administration program.

[10] Students will not also receive credit for CHEM 350, 351 at The K.C.

[11] Credit will be allowed for only 1 of Computing Science 214 or 262. Students will not also receive credit for CPSC 211 at The U. of C.

[12] Students who are not Computer Science majors may receive credit for only 1 of Computing Science 261, 357 or Engineering Computing 200; none are applicable for credit to Computer Science majors.

[13] Double credit for Computer Science 272 and any 1 of MATH 271, CPSC 313 or 312 will not be allowed.

[14] Transfer credit for French 100 will be allowed only if the student does not also present French 30 or 31 (or equivalent) and does not use these subjects to satisfy matriculation requirements. This course is not available for credit in the Faculty of Education at The U. of C.

[15] Students will not also receive credit for MATH 215 at A.U.

[16] Credit will be allowed for only 1 of Mathematics 202, 204 or 213.

[17] Students will not also receive credit for MATH 1450 at The U. of L.

[18] Students will not also receive credit for MATH 3450 at The U. of L.

[19] Not accepted for credit towards a Bachelor of Commerce degree program.

[20] Students intending to complete senior-level Physics courses must consult with the Dept. of Physics at The U. of C. Course equivalents may vary depending on the student's program.

[21] Not available for credit to students who are required to complete MDSC 200 or ZOOL 370 at The U. of C.

[22] Psychology 341 and Sociology 341 may not both be taken for credit.

[23] STAT 1770 waived for Management students.

[24] Students will not also receive credit for MATH 335 at The K. C.

[1] Not available for credit to students who are required to complete MDSC 200 or ZOOL 370 at The U. of C. or to majors or minors in the Dept. of Biological Sciences.

[2] Students with credit in either Biology 261 or 262 will be required to complete BIOL 201 at The U. of C. before any other major courses may be taken in the Dept. of Biological Sciences.

[3] Computing Science 357 is not available for credit for Computer Science majors.

[4] Students will not also receive credit for ENGL 200 at U. of A.

[5] Students will not also receive credit for ENGL 345 or 356 at U. of A.

[6] Students will not also receive credit for ENGL 357 at U. of A.

[7] Students will not also receive credit for ENGL 350 at U. of A.

[8] Students will not also receive credit for HIST 338 or 339 at U. of A.

[9] Students will not also receive credit for MATH 1450 at The U. of L.

[10] Students will not also receive credit for MUSIC 206/207 at U. of A.

[11] Acceptance for transfer credit is subject to audition.

[12] Provided Music 201/202 has been completed as prerequisite.

[13] Students will not also receive credit for MUS 3521 at The U. of L.

[14] Students intending to complete senior-level Physics courses must consult with the Dept. of Physics at The U. of C. Course equivalents may vary depending on the student's program.

[15] Psychology 310 is not open for credit to majors in the Dept. of Psychology.

[16] Students will not also receive credit for SOC 2200 at The U. of L.

[17] Psychology 340 and Sociology 340 may not both be taken for credit.

[18] Students will not also receive credit for SOC 382 or 483 at U. of A.

[19] Students will not also receive credit for RELIG 353 at U. of A.

[1] Lakeland College is an interprovincial college serving both Alberta and Saskatchewan. The following is a list of course equivalents for the University of Saskatchewan:

Lakeland College	University of Saskatchewan
Art History 201/202	Art 110.6
Biology 200	Any combination of 2 of 200, 210
Biology 210	or 297 would transfer as
Biology 297	Jr. Biology (6)
Chemistry 200	Chemistry 110.6
Computing Science 214/215	Computing Science 110.6
Computing Science 261	Computing Science 214/261 (6)
Economics 201	Economics 111.3
Economics 202	Economics 114.3
English 200	Jr. English (6)
English 210	Jr. English (6)
French 100	French 101.6
Mathematics 202/204*	Mathematics 175.6
Mathematics 221*	Jr. Mathematics (3)
Psychology 260/261	Psychology 110.6
Sociology 202	Sociology 110.6

* If transferring to the University of Saskatchewan, a student should not take both Mathematics 202 and 221.

[2] To receive credit, graduates of these programs must have a minimum G.P.A. of 2.7 on a 4-point scale. Transfer credit will be granted from the 200- and 300-level courses and will be determined by the Dean in consultation with the student's program advisor.

[3] Required core courses are: AC 140/240 and 344; CU 142. Students should also complete at least 3 option courses from the following: Data Processing – CMPUT 214, 215, CU 242; Business Foundations and Accounting – ECON 201, 202.

[4] Students will not also receive credit for BIO 354, 355 at The K.C.

[5] Computing Science 261 is not applicable for credit to Computer Science majors.

[6] Transfer credit for French 100 will be allowed only if the student does not also present French 30 or 31 (or equivalent) and does not use this subject to satisfy matriculation requirements. This course is not available for credit in the Faculty of Education at The U. of C.

Transfer Arrangements to Non-Degree-Granting Institutions

SENDING INSTITUTION	RECEIVING INSTITUTION	
LAKELAND COLLEGE	**NAIT**	**SAIT**
BY PROGRAM		
Academic Upgrading	Program graduates are eligible for admission into NAIT programs on the same basis as NAIT Pre-Technology graduates. Consult Registrar, NAIT for further information.	
Drafting Technology	Students who have successfully completed all courses of this transfer program will be accepted into Year Two of the NAIT Engineering Design and Drafting Technology Program. Students with an incomplete Year One may be accepted as special students upon written recommendation from the College. A personal interview may also be required.	Students who have completed all courses of this program may transfer to the Engineering Drafting Technology program at SAIT and may be allowed to enroll in the fourth quarter of the program, if space is available.

[1] In addition to credit for discrete courses as noted above, the following unspecified Arts and Science credit will be granted for the General Education component of the following programs:

Communication Arts	2 (6)
Law Enforcement	2 (6)
Recreation Management	4 (12)
Rehab Services	1 (3)

[2] Required core courses are: BUS 150, 151; AC 171, 173; BUS 154/175 or 255; BUS 166. Students may complete up to 4 options from the following: BUS 140, 157 (Forkner or Speed Writing only), 142, 145, 149, 169; MKTG 156, 188, 277, 288; BUS 271, 279, 283; IBMK 106; BUS 160, 163, 260, 261; AC 271, 273; BUS 158, 159, 167, 250, 268; ECON 181, 253.

[3] To receive credit, graduates of this program must have a minimum G.P.A. of 2.7 on a 4-point scale. Transfer credit will be granted from the 200- and 300-level courses and will be determined by the Dean in consultation with the student's program advisor.

[4] CPSC 203 is not applicable for credit to Computer Science majors.

[5] Not available for credit toward a Bachelor of Commerce degree program.

[6] Credit is contingent upon successful completion of The U. of L. lab.

[7] On the B.Com. program there is only room for ½ Jr. OPEN elective for either of these Business courses.

[8] No credit if student takes 2 of STAT 1770, 2780 or ECON 2900 at The U. of L.

[9] Students will not also receive credit for CSC 3900 at The U. of L.

[10] Not available for credit to Geology or Geophysics majors. Students will not also receive credit for GLGY 209 at The U. of C.

[11] Students will not also receive credit for PSYC 385 at The U. of C.

[12] Credit is contingent upon review of the student's practicum assignment by a Special Studies Co-ordinator.

[13] No more than 2 half Jr. PHED options (3) or one full Jr. PHED option (6) are transferable.

Transfer Arrangements to Non-Degree-Granting Institutions

SENDING INSTITUTION	RECEIVING INSTITUTION
LETHBRIDGE COMMUNITY COLLEGE	**SAIT**
BY PROGRAM	
Engineering Drafting Technology	Students who have completed the first year of the College program may transfer to the Engineering Drafting Technology program at SAIT and may be allowed to enroll in the fourth quarter of the program, if space is available.
Electronics Technology	Students who have completed the first year of the College program may transfer to the second year of Broadcasting and Industrial Electronics programs at SAIT, if space is available.

Medicine Hat College

Transfer Arrangements to Degree-Granting Institutions

SENDING INSTITUTION / **RECEIVING INSTITUTION**

MEDICINE HAT COLLEGE[1,2]	U OF A	U OF C	U OF L	ATHABASCA UNIVERSITY	CAMROSE LUTHERAN COLLEGE	CONCORDIA COLLEGE

BY PROGRAM

The following represents the maximum number of years a student may complete at Medicine Hat College by taking University Transfer courses toward a degree program in the following selected faculties. Courses may also be available at the College which may be transferable to degree programs not listed below. To receive maximum credit, students must successfully complete courses that are appropriate to the student's particular degree program at the receiving institution. For detailed information, please check with the Registrars and Calendars of both the College and receiving institution.

Agriculture/ Forestry	1 year

[1] Medicine Hat College makes every effort to ensure the smooth transfer of students to other education institutions. We are in touch with The U. of C., U. of A., The U. of L. and A.U. on a regular basis regarding course and program changes. The University of Regina and the University of Saskatchewan are also contacted frequently to be sure that students from Saskatchewan can transfer from the College to the Saskatchewan universities. For further details on the university transfer programs offered at M.H.C. please refer to the 1988 - 89 M.H.C. Calendar.

[2] The following programs are transferable to the corresponding out-of-province institutions:

MEDICINE HAT

Child Development	U of Victoria – 1 or 1½ years
	U of Winnipeg – 1 or 2 years
Journalism & Communications	U of Regina - 1 or 2 years
Optometry	U of Waterloo - 1 year
Veterinary Medicine	U of Saskatchewan - 1 or 2 years

[3] The following M.H.C. courses are transferable to The U. of L. Business Education major: required core courses – BUSI 101/103, ACCT 111/113 or 321/323, MGIS 321, POEN 395; plus up to 4 options from the following – BUSI 107, 108, 109, 131, 133, 267, 287; BUSI 171, 206, 208, 221, 271; CPSC 203, 211, 213 or MGIS 323; ACCT 215, ECON 201, 203.

[4] See general statement regarding Nursing Programs on page 25.

[5] Credit will be allowed for only 1 of Applied Math 207 or Math 251 and only 1 of Applied Math 209 or Math 253.

[6] Students will not also receive degree credit for ANTHR 350 at U. of A.

[7] Credit is contingent upon successful completion of The U. of L. lab.

[8] In the case of Drama 341 and 343, students may not also receive credit for DRAM 342 and DRAM 344 respectively at The U. of C.

[9] Will be considered as an Administrative Studies option on the Bachelor of Administration program.

[10] Student will not also receive credit for ENGL 3001, 3002, 3003 at The U. of L.

[11] Credit for Education students only.

[12] Transfer credit for French 201, 203 or German 205, 207 will be allowed only if the student does not also present French 30 or 31 (equivalent) or German 30 or 31 (equivalent) and does not use this subject to satisfy matriculation requirements. These courses are not available for credit in the Faculty of Education at The U. of C.

[13] Credit available in Faculty of Science.

[14] Credit available in Faculty of Arts.

[15] Students will not also receive credit for MODLANG 1000 or LING 2300 at The U. of L.

[16] MGIS 321 is not applicable for credit for Computer Science majors.

[17] Students will not also receive credit for MATH 3450 at The U. of L.

[18] Students will not also receive credit for MATH 3400 at The U. of L.

[19] Students will not also receive credit for MATH 2570 at The U. of L.

[20] Transfer of credit is assured only to B.A. programs. Credit may be given in the B. Mus. program but only on individual assessment and only for approved instrument.

[21] Credit for MUTC 201, 203, 301, 303, MUPF 291, 293, 391 and 393 is dependent upon successful completion of the student's placement test and audition with The U. of C. Credit for unassigned Music options may be allowed in other cases. However, such credit will not be awarded to Music majors or minors. Students will not also receive credit for MUTC 201, 203, 301, 301, MUPF 291, 293, 391 and 393 at The U. of C.

[22] Do not take MUS 3611 before consulting with Music Dept. at The U. of L.

[23] Accepted as an option when students are not continuing on a Bio-Science program.

[24] Only 1 year of credit is transferable to the three-year Bachelor of Physical Education degree program. This 1 year of credit can include only 1 full-course equivalent (6) of activity courses, of which only 1 quarter-course (1.5) may be at the 300-level (advanced).

[25] Credit will be allowed for PHED 263 (3) and a Jr. PHED option (3) if both Physical Education 201 and 206 are completed.

[26] PED 3650 is waived for B.Ed., Physical Education majors.

[27] Students will not also receive credit for SOCI 324 at The U. of C.

[28] Students will not also receive credit for ANTHRO 3350 at The U. of L.

[29] Students with "C-" or better in both courses, credit given for STAT 255 (6).

[30] Not accepted for credit toward Bachelor of Commerce program.

[31] Students who present Statistics 213 and wish to receive exemption from STAT 343 at The U. of C. must pass a diagnostic test administered by the Dept. of Mathematics and Statistics.

[32] Credit toward degree requirements will be allowed for only 1 of STAT 213/217 or 343/347, which is most appropriate to the degree program.

[33] Secondary route only.

[1] Required core courses: ADMN 1120/1220, 1224, 1230. Students may complete at least 3 options from the following: Secretarial – SECR 1231 (Forkner); 1156, 1256, ADMN 1150; COMP 1160/1161/1287, 1281/1282, 1283, SECR 1154; ADMN 1130/1131, 1221/1222, 1227, ECON 2201, 2203.

[2] On the B. Com. Program at the U. of A. there is only room for $\frac{1}{2}$ Jr. open elective for any 1 of these Administration courses.

[3] Not accepted for credit towards a Bachelor of Commerce degree program.

[4] Credit contigent upon successful completion of The U. of L. lab.

[5] Credit towards degree requirements will be allowed for only 1 of Administration 1262, 1263, Engineering 1319, Math 1224/1225, Psychology 1215; that one being a course(s) appropriate to the degree program.

[6] Credit will be allowed for only 1 of Biology 1215 or 2201.

[7] Not available for credit to students who are required to complete MDSC 200 or ZOOL 370 at The U. of C. or to Biological Sciences majors.

[8] Chemistry 1212, together with BCEM 341 taken at The U. of C., acceptable in lieu of BCEM 340.

[9] Not available for credit to students majoring or minoring in Chemistry

[10] Computer Science 1160, 1161 and 1165 are not applicable for credit to Computer Science majors. No more than 1 of Computer Science 1160, 1161, 1165 and Engineering 1213 may be taken for credit.

[11] Students will not also receive credit for CSC 3620 at The U. of L.

[12] Students will not also receive credit for CSC 3670 at The U. of L.

[13] Transfer students wishing to complete higher-level CPSC courses will note that CPSC 211 at The U. of C. uses Pascal.

[14] Students will not also receive credit for DRAMA 251 or 350 at U. of A.

[15] Students will not also receive credit for DRAM 342 at The U. of C.

[16] Students will not also receive credit for DRAM 344 at The U. of C.

[17] Students must take DRAMA 353 at U. of A. if want to take more senior Drama courses later.

[18] Will be considered as Administrative Studies option on the Bachelor of Administration Degree Program.

[19] For admission to the Faculty of Education, a grade of "C" or better in EDTS 231 is required.

[20] No more than 2 half Jr . ENGL (3) or 1 full Jr. ENGL (6) are transferable.

[21] Maximum of two semester courses will be granted.

[22] Students will not also receive credit for FREN 2300 at The U. of L.

[23] Transfer credit for French 2201/2203, German 2205/2207, Latin 1110/1111 or Spanish 1110/1111 will be allowed only if the student does not also present French 30 or 31, German 30 or 31, Latin 30 or Spanish 30 (or equivalent) and does not use these subjects to satisfy matriculation requirements. These courses are not available for credit in the Faculty of Education at The U. of C.

[24] Credit will be allowed for only 1 of French 2215 or 2225 and only 1 of French 2217 or 2227.

[25] Credit for either Interior Design 1250 or 1251, but not both.

[26] Any 2 will be equivalent to 1 Jr. REC option, up to a total of 3 options.

[27] Any 2 will be equivalent to REC 359 (3).

[28] Credit will be granted for 1 of Math 1207 or 2251 and 1 of Math 1209 or 2253.

[29] Faculty of Engineering.

[30] Not available for credit to students who are required to complete MIBI 241 at The U. of C. or to Biological Sciences majors.

[31] Recommend 1 unspecified elective credit for Post-Basic Mental Health 1305, 1315, 1325, 1335, 1345 and 1355 combined.

[32] No more than 3 half Open options (3 credits each) may be applied towards Post-Basic Bachelor of Nursing degree program.

[33] Only one year of credit is transferable to the three-year Bachelor of Physical Education degree program at The U. of C. This one year of credit may include only 1 full-course equivalent (6) of activity courses, of which only a quarter-course equivalent (1.5) may be at the 300-level (advanced).

[34] Students will not also receive credit for PHYS 205, 231 or 241 at U. of A.

[35] Students will not also receive credit for PHYS 206, 237 or 243 at U. of A.

[36] Students will not also receive credit for PHYS 205 at U. of A.

[37] Students will not also receive credit for POLI 310 at The U. of C.

[38] No more than 2 half Jr. PSYC (3 credits each) are transferable.

[39] Psychology 1215 is not open for credit to majors in the Dept. of Psychology.

[40] Letter required from Registrar, M.R.C. indicating successful completion of 1 session of practicum placement in a vocational setting.

[41] Letter required from Registrar, M.R.C. indicating successful completion of 1 session of practicum involvement.

[42] Letter required from Registrar, M.R.C. indicating successful completion of 1 session of practicum placement in a residential setting.

Until transfer arrangements have been concluded, students who successfully complete any of these courses may apply for transfer credit on an individual basis.					

[1] Applicants may be required to submit a letter of recommendation from the appropriate NAIT Dean.

[2] Individual courses for which credit will be given must have a grade of at least 75%. In those cases in which a single U. of C. credit is appropriate for 2 or more NAIT courses, the average grade in the relevant NAIT courses must be at least 75%. Normally, the cumulative GPA must be at least 75% also. In special cases, credit for individual courses will be given although the cumulative GPA is below 75%.

[3] While NAIT engineering technology courses are not directly equivalent to university engineering courses, the Faculty of Engineering is prepared to grant up to 1 year of credit to students of superior ability (Honours diploma). Normally the recommendation of the NAIT Dean, and a personal interview with the U. of A. Dean of Engineering, are also required. Students intending transfer must show competence in mathematics equivalent of U. of A. MATH 212/213, before proceeding to the second year Engineering program.

[4] The Faculty of Engineering will grant the appropriate advanced standing to graduates of programs of technology provided that:

i) the applicant is admissible to the Faculty of Engineering,
ii) the applicant has an Honours Diploma.

[5] Students who have successfully completed a two-year science diploma at NAIT will be admitted by the Faculty of Science and granted up to 1 year's credit toward a related B.Sc. degree program. Prospective students should apply to the Office of the U. of A. Dean of Science.

[6] Students who have successfully completed a two-year diploma program in an appropriate area may receive advance standing toward a B.Ed. in Industrial Arts. Prospective candidates should consult with the Chairman, U. of A. Dept. of Industrial and Vocational Education.

[7] Subject exemption based on individual assessment is available for graduates of Survey Technology who do not have Honours standing.

[8] Credit for AT110 in Clothing and Textile Program, Faculty of Home Economics only.

[9] Students will not also receive credit for GEOG 3710 at The U. of L.

[10] Minimum academic standing indicated relates to U. of A. course credit.

[11] Admission to the Bachelor of Commerce program is open to students transferring from related NAIT programs. There is a quota that limits the number of students to the B. Com. program each year. Prior academic performance in appropriate subjects (including Math 30 or equivalent) is the primary criterion used for the applicants to be admitted.

[12] Minimum average of 70% with no mark below 60%.

[13] Not available for credit towards the Bachelor of Commerce degree.

[14] Credit is contingent upon successful completion of The U. of L. lab.

[15] Students who wish to receive credit for STAT 343 at The U. of C. must pass a diagnostic test administered by the Dept. of Mathematics and Statistics.

[16] Minimum mark of 70%.

[17] Students will not also receive credit for STAT 1770 at The U. of L.

[18] Students will not also receive credit for CMPUT 261 at U. of A.

[19] If graduation from Dental Assisting is more than 24 months prior to enrolment in Dental Hygiene Program, credit is granted upon successful examination challenge.

[20] Student is given the option to challenge examination in D HYG 240.

Transfer Arrangements to Non-Degree-Granting Institutions

SENDING INSTITUTION	RECEIVING INSTITUTION
NORTHERN ALBERTA INSTITUTE OF TECHNOLOGY	**SAIT**

BY PROGRAM

Engineering Design and Drafting Technology	Students who have completed the first year of the program may enroll in the fourth quarter of the Engineering Drafting Technology program at SAIT, if space is available.

BY PROGRAM

The following represents the maximum number of years a student may complete at Red Deer College by taking University Transfer courses toward a degree program in the following selected faculties. Courses may also be available at the College which may be transferable to degree programs not listed below. To receive maximum credit, students must successfully complete courses that are appropriate to the student's particular degree program at the receiving institution. For detailed information, please check with the Registrars and Calendars of both the College and receiving institution.

[1] All programs listed in the U. of A. column were designed originally for transfer to that institution. For information about transfer to other institutions, and the conditions governing program transfer, students should consult the College Registrar.

[2] The following programs are transferable to the corresponding out-of-province institutions:

RED DEER COLLEGE

Pre-Chiropractic	Canadian Memorial Chiropractic College – 1st & 2nd years
Pre-Optometry (B.Sc.)	University of Waterloo – 1st year
Pre-Vet Medicine (B.Sc.)	University of Saskatchewan – 1st & 2nd years

[3] Students may complete R.D.C. courses which apply to a Business Education major at The U. of L. Required core courses are: ACCT 202, 204, BUS 311, SEC SCI 111, 210. Students may complete up to 4 options from the following: SEC SCI 101, 120 (Forkner or Speedwriting), 130, 201; BUS ADM 132, 240/241; ACCT 209, 210, BUS 260/261, ECON 201, 202.

[4] Graduates of the College's two-year Social Services Program will receive up to 5 full junior Social Work courses. They may also receive credit for up to 5 Arts and Science courses which are applicable to the degree and are indicated in this Guide.

[5] Faculty of Education only.

[6] Must submit a portfolio.

[7] Credit approved only if student has also completed another 300-level studio course.

[8] Students will not receive credit for BIO 354/355 at The K. C.

[9] Students with credit in either Botany 205 or Zoology 220 and without credit in Biology 200 will be required to complete BIOL 201 at The U. of C. before any other major courses may be taken in the Dept. of Biological Sciences.

[10] Credit contingent upon successful completion of The U. of L. lab.

[11] Not accepted for credit towards a Bachelor of Commerce degree program at The U. of C.

[12] Credit towards degree requirements will be allowed only for 1 of Business Administration 111, Business 306/307, Psychology 309, or Statistics 241, whichever is most appropriate to the degree program.

[13] STAT 1770 waived for B.Mgt. students.

[14] Business 357, Computing Science 261 and Engineering Computers 200 are not applicable for credit to Computer Science majors.

[15] May be used to meet the 3 Junior credit Computing Science core requirement on the Bachelor of Administration program.

[16] Students will not also receive credit for CHEM 350/351 at The K. C.

[17] Double credit for Computing Science 272 and any 1 of MATH 271, CPSC 313 or CPSC 321 at The U. of C. will not be permitted.

[18] Students will not also receive credit for CSC 1600 at The U. of L.

[19] Students will not also receive credit for CSC 2600 at The U. of L.

[20] Students will not also receive credit for DRAMA 331 at U. of A.

[21] Students may receive a maximum of 2 full-course equivalent credits from among Drama 205, 303, 305, 306, 307, 308 and 315.

[22] Students will not also receive credit for DRAM 342 or 344 at The U. of C.

[23] Credit will not be granted for both DRAMA 272 and 373 at U. of A.

[24] No credit if student also has Drama 249 or 251.

[25] Students taking Drama 378 without Drama 210 as the prerequisite will receive credit for DRAMA 275 at U. of A.

[26] Students will not also receive credit for DRAMA 442 at U. of A.

[27] A student wishing to enter U. of A. DRAMA 560 after credit in R.D.C. Drama 460 must submit a portfolio with a 30-minute radio play, stage play, film script, and video script for evaluation by Dept. of Drama.

[28] Credit will be allowed for only 1 of Economics 100 or 201 and only 1 of Economics 101 or 202.

[29] Will be considered as Administrative Studies option on the Bachelor of Administration Degree Program.

[30] Must include a minimum of 60 hours.

[31] For Education students only. The movement requirements may be waived.

[32] No credit for either English 219 or 220 if presented alone.

[33] Students will not also receive credit for ENGL 304, 305, 306 or 398 at U. of A.

[34] Credit will be allowed for only 1 of English 339 or 341/343.

[35] Students will not also receive credit for ENGL 345/346 at The K. C.

[36] Students will not also receive credit for ENGL 350 or 351 at U. of A.

[37] Students will not also receive credit for ENGL 361 or 380 at U. of A.

[38] Students will not also receive credit for ENGL 360 at U. of A.

[39] Students will not also receive credit for BIOL 354/355 at The K. C.

[40] Students will not also receive credit for HIST 201 at U. of A.

[41] Credit will be allowed for only 1 of Mathematics 202, 203 and 212.

[42] Credit will be allowed for only one of Mathematics 202, 203, 212 or 240.

[43] Credit will not be granted for both Mathematics 204 and 213.

[44] Faculty of Engineering courses.

[45] Students will not also receive credit for MATH 1450 at The U. of L.

[46] Not to be given transfer credit to B.Sc. programs in the Faculty of Science.

[47] Students will not also receive credit for MATH 3400 at The U. of L.

[48] Students will not also receive credit for MUSIC 302 at The K. C.

[49] Students will not also receive credit for MUSIC 303 at The K. C.

[50] Students will not also receive credit for MUSIC 2321 at The U. of L.

[51] Letter required from the Registrar, R.D.C., which indic es the performance experience completed, i.e. Chamber Choir, Symphonic Bank, Orchestra, Vocal Jazz Ensemble, Instrumental Jazz Ensemble or Chamber Music.

[52] Credit for MUTC 201, 203, 301 & 303 is dependent upon successful completion of the student's placement test with The U. of C. Credit for unassigned Music options may be allowed in other cases. However, such credit will not be awarded to Music majors or minors. Students who subsequently complete MUTC 201, 203, 301 and 303 at The U. of C. may not also receive for the corresponding Music course(s) taken at R.D.C.

[53] Students will not also receive credit for PHIL 230 at The K. C.

[54] PHIL 2120, 2130 or 3110 should not be taken at The U. of L. except by special permission.

[55] Only 1 year of credit is transferable to the 3-year Bachelor of Physical Education degree program. This 1 year of credit may include only 1 full-course or equivalent (6) of activity courses, of which only a quarter-course equivalent (1.5) may be at the 300-level (advanced).

[56] Credit will be allowed for only 1 of Political Science 200, 320 or 321.

[57] Students will not also receive credit for POL S 310 at U. of A.

[58] Credit will be allowed for only 1 of Political Science 308/309 or 310.

[59] Prospective Psychology majors must complete Psychology 309 and 360. Those presenting only 1 of Psychology 309 or 360 will not receive credit for the course toward a Psychology major and will be required to complete PSYC 312 at The U. of C.

[60] Students will not also receive credit for PSYCH 330 at The K. C.

[61] Letter required from Coordinator, Rehabilitation Services Program indicating successful completion of a minimum of 104 hours of practicum placement in a family or residential setting.

[62] Letter required from Coordinator, Rehabilitation Services Program indicating successful completion of a minimum of 104 hours of practicum placement in a vocational setting.

[63] Students will not also receive credit for SOC 310 at The K. C.

[64] Not accepted for credit towards Bachelor of Commerce degree.

[65] Students intending to complete senior-level Physics courses must consult with the Dept. of Physics at The U. of C. Course equivalents may vary depending on the student's program.

Transfer Arrangements to Non-Degree-Granting Institutions

SENDING INSTITUTION	RECEIVING INSTITUTION
RED DEER COLLEGE	**NAIT**

BY PROGRAM

Biological Sciences Technology[1] and Chemical Technology	Students who have successfully completed all courses of this transfer program will be accepted into Year Two of the corresponding NAIT Program. Students with an incomplete Year One may be accepted as special students upon a written recommendation from the College. A personal interview may also be required.

[1] Students entering the Renewable Resources option shall make up a deficiency in specific Physical Education courses in Year Two.

[1] In addition to submitting transcripts from SAIT, applicants may be required to submit a letter from the SAIT Registrar recommending that advanced credits be awarded.

[2] Individual courses for which credit will be given must have a grade of at least "B". In those cases in which a single U. of C. credit is appropriate for 2 or more SAIT courses, the average grade in the relevant SAIT courses must be at least 2.5. Normally, the cumulative GPA must be at least 2.5 also. In special cases, credit for individual courses will be given although the cumulative GPA is below 2.5.

[3] a. A student who has an Honors Diploma in 1 of the engineering technologies may be granted up to 1 year of credit by the Faculty of Engineering, the U. of A, subject to the following:
   i) In a branch of engineering where his technology diploma is considered as appropriate background education, the student must show competence in mathematics equivalent to that of MATH 212/213 or else gain credit in MATH 212/213 in the 3rd and 4th terms.
   ii) In a branch of engineering where his technology diploma is not considered as appropriate background education, the student may have to show competence in, or gain credit in, either first and/or second term courses in addition to mathematics.

   b. In exceptional cases a student who has a Diploma, but not an Honors Diploma in one of the engineering technologies of SAIT, may be considered for admission to the third term on the same basis as a student with an Honors Diploma when so recommended by the Academic Vice-President of SAIT. Advanced credit in individual subjects may be granted on the basis of the recommendation of U. of A. department offering the course.

   c. Petroleum Technology Graduates: A student who has qualified for a Diploma in Petroleum Technology may be granted two-year credit by U. of A. in the Petroleum Engineering option subject to the following conditions:
   i) The student completes the equivalent of MATH 212/213.
   ii) The student obtains a 3.25 GPA in second year.
   iii) The student works one year before attending the U. of A.
   iv) The Petroleum Dept. recommends the student.

[4] Faculty of Engineering, U. of C., will grant appropriate credits to graduates of programs of technology provided that:
   i) The applicant is admissible to the Faculty of Engineering or is recommended by SAIT.
   ii) The applicant's cumulative GPA is a minimum of 2.5.

[5] Graduates of most two-year diploma programs who receive GPA's of 2.5 may receive credit toward a B.Ed. Degree in Industrial Arts. The prospective candidate should consult with the Chairman, Dept. of Industrial and Vocational Education.

[6] Average of "B-" or better on all 3 SAIT courses is required.

[7] Will be considered as Administrative Studies option on the Bachelor of Administration Program.

[8] May be used to meet the 3 Junior credit Computing Science core requirement on the Bachelor of Administration Program.

[9] Not applicable for credit towards the Bachelor of Commerce degree program.

[10] Credit contingent upon successful completion of The U. of L. lab.

[11] Minimum average of "B".

[12] "L" indicates Laboratory course.

[13] See Dental Assisting Program above.

[14] Challenge credit opportunity available to SAIT graduates.

[15] Minimum mark of "B".

[16] Prerequisite of PHYS 205 to be cleared prior to granting credit.

[17] Prerequisite of GEOL 310 to be cleared prior to granting credit.

[18] Prerequisite of GEOL 420 or 421, 444 and 460 to be cleared prior to granting credit.

[19] Prerequisite of GEOL 444 and 460 to be cleared prior to granting credit.

[20] Prerequisite of GEOL 320 and 362 to be cleared prior to granting credit.

SENDING INSTITUTION	RECEIVING INSTITUTION
SOUTHERN ALBERTA INSTITUTE OF TECHNOLOGY	**NAIT**

BY PROGRAM

Health Record Technician Program	Graduates of the SAIT Program will be accepted into Year Two of the NAIT Health Record Technology Program. Those students who have not completed all courses of the Health Record Technician Program may be accepted as special students upon a written recommendation from SAIT. A personal interview may also be required.

Appendix: International Baccalaureate

The International Baccalaureate Program was developed and sponsored by the International Baccalaureate Office, a Swiss Foundation with headquarters in Geneva. This office is represented in Canada and the United States by the International Baccalaureate North America Office, a non-profit corporation headquartered in New York City. Some high schools in Alberta offer part or all of the International Baccalaureate Program. Students who have completed part or all of the Program may apply for advanced credit through individual assessment upon admission to a post-secondary institution. More detailed information is available from the Office of the Registrar at each institution.

Advanced credit arrangements are in effect at the degree-granting institutions listed in the following table.

	RECEIVING INSTITUTION

[1] Advanced standing (Credit or Placement) in approved courses (see above) is awarded for an IB grade of 6 or 7 only.

[2] In order to receive advanced credit for an International Baccalaureate course, the minimum acceptable grade is a "4" at A. U., C. L. C. and The U. of C.

[3] Must obtain a mark of "0" or greater in each of the Extended Essay and Theory of Knowledge.

[4] Students awarded "Advanced Placement" at the U. of A. will be admitted to a senior course after determination of their background qualifications for that course (interview, placement test, etc.). They may also "challenge" a junior or senior course for credit via the "Credit by Special Assessment" route, if they have appropriate qualifications and are eligible within the regulations.

[5] Exemption from taking and passing U. of A.'s Writing Competence examination if mark of 6 or 7 presented.

IV. COUNCIL PRINCIPLES, POLICIES AND PROCEDURES

A. CONTEXT

1. Role and Composition

The primary goal of the Alberta Council on Admissions and Transfer is to provide leadership and direction in the improvement and enlargement of educational opportunities for Alberta students through inter-institutional transfer. Implicit in this goal is a commitment to improve communication among institutions of the Alberta post-secondary system, and thus to promote the advantages of a system of education, with all that this means for economy and efficiency in educational planning.

In the fulfillment of its role, the Council is engaged in the following activities:

(a) leadership – including the development and formulation of policies and procedures whereby transfer credit for courses and programs may be negotiated.

(b) publication – primarily the production and distribution of a yearly Transfer Guide listing all transfer credit arrangements for courses and programs within the Alberta post-secondary system, together with statements of relevant policies and procedures, and other documents such as an Annual Report.

(c) mediation – as requested by institutions within the system, to resolve complaints or disputes concerning transfer arrangements and credits, and thus to ensure that the best interests of students are served.

(d) applied research – on matters related to the transfer of students throughout the system.

The fourteen member Council which is appointed by the Minister of Advanced Education is an independent body which reports annually to the Minister. The Council membership includes the Chairman, two members of the public, two student members, three members nominated by the Universities Co-ordinating Council, three members nominated by the Council of College and Technical Institute Presidents, one member from the provincially administered institutions, one member nominated by the hospital boards that operate schools of nursing, and one member nominated by the Private Colleges Co-ordinating Council. Administrative support, including service of an Executive Assistant, is supplied by the Department of Advanced Education.

The Alberta Council on Admissions and Transfer usually meets on a monthly basis, generally at institutions.

2. Overview of the post-secondary system

The Council's activities are directed primarily towards the Alberta post-secondary system, which includes four universities, The Banff Centre, eleven public colleges, three institutes of technology, four Alberta vocational centres, the community vocational centres, private colleges, and hospital schools of nursing (see chart, p. ii). There are, in addition, a number of private non-affiliated institutions, some of which may offer courses which have transfer potential. Although the Council's mandate is directed towards the Alberta post-secondary system, the Council is sensitive to student transferability involving institutions outside of the province. For this reason the Alberta Transfer Guide is distributed broadly across Canada as well as in the United States.

3. Types of transfer

Within the system of post-secondary institutions, transfer of credit for courses or programs may occur among institutions within a sector (for example, between public colleges) or among institutions of different types (for example, from a vocational centre to a college). Transfer arrangements published in the Alberta Transfer Guide include courses and programs transferable to degree-granting institutions and those transferable to non-degree-granting institutions.

4. Definitions of terms

In dealing with matters relating to transfer, there are several commonly used terms which may require clarification. Some of the more important are:

Accessibility: the degree of openness of institutions to students seeking admission to their programs.

Transferability: the mobility of students among post-secondary institutions by virtue of their having transfer credit (see below).

Advance credit: the award of credit in given courses or programs on the basis of formal and informal learning experiences including: 1) work experience, 2) maturity/life experience, 3) unstructured educational experiences such as self-study, 4) structured educational activity.

Transfer credit: an advance credit awarded on the basis of successful completion of structured educational activities at a post-secondary institution.

Receiving institution: an institution to which students transfer course or program credits acquired at another institution.

Sending institution: an institution from which students may transfer course or program credits to programs at another institution.

Transferable courses: courses developed by an institution to meet its own program objectives but which have transfer potential. Transfer may be negotiated either on the basis of equivalence or of relevance to programs or courses at another institution. (See page 125).

Transfer courses: courses delivered by a sending institution as courses which correspond in description to courses of a particular institution. (See page 125).

Selection criteria: categories of qualification, capabilities, or experience (academic or other) which provide the basis for screening and admission (or rejection) of students to programs.

Affiliation: a formal agreement of association or co-operation between two institutions whereby some courses and programs offered by the sending institution are substantially the same as those offered by the receiving institution. Transfer credit is thereby awarded. Affiliation agreements are in effect between several private colleges and the University of Alberta.

B. PRINCIPLES

The Council endorses the following as basic to its purpose and activities:

(a) **Student access to higher education and the opportunity for student mobility among institutions of higher education in Alberta shall be optimized.**
Barriers to student mobility shall be minimized. The integrity of educational programs and certification must, however, be maintained. A student should not be required to repeat previous learning experiences in which competence has been demonstrated nor should more transfer credit be granted than previous learning experiences would warrant for successful completion of the program.

(b) **Negotiation of opportunities for student mobility shall be based on the recognition that while learning experiences may differ in a variety of ways, their substance may be virtually equivalent in terms of content and rigour.**
Insofar as possible, transfer arrangements should allow for maximum recognition of previous learning experiences. The concept of **virtual equivalence** is vital to such arrangements.

(c) **Effective career counselling and optimum mobility require that the student have prior knowledge of at least the minimum transfer credit which can be awarded. Additional transfer credit may be negotiable on an individual basis.**

(d) **Although responsibility for higher education is shared among various constituents, individual institutions have the primary responsibility for instructional programs. This responsibility includes program design and delivery, determination of academic prerequisites and student admission criteria, and certification of the academic achievement of students.**
In respect of student access to institutions and programs, it is to be emphasized that factors in addition to academic prerequisites often are employed as admission criteria. That is, while possession of academic prerequisites makes an applicant eligible for admission, it does not **guarantee** admission to an institution or to a particular program.

(e) **Institutions have the responsibility and the prerogative to investigate the total educational preparation of applicants seeking admission.**
Such investigation is intended to determine admissibility and appropriate transfer credit, and to counsel applicants. The relevance and quality of the applicant's most recent educational experiences should be the basis for admissibility and for transfer decisions. Differences in earlier preparation should not adversely affect consideration of the applicant (see Principle "b" re **virtual equivalence**).

(f) **Students who are granted admission to an institution under a transfer arrangement shall be granted the same rights and privileges as students who began their studies at the institution.**

C. A POLICY FOR ADMISSION AND TRANSFER OF CREDIT AMONG ALBERTA POST-SECONDARY INSTITUTIONS

1. Admission

Admission to a course or program will be granted to any applicant who has fulfilled the admission requirements for such course or program as established by the receiving institution. Where selection procedures are involved in admission to a program, each applicant shall be treated on the same basis as any other person seeking admission to that program.

In the case of students transferring from public colleges and technical institutes to degree-granting institutions, in lieu of the general admission requirement listed above, admission will be granted to any applicant who, upon successful completion of at least a full year's study at the sending institution, is recommended in writing by that institution as having satisfied the **appropriate** matriculation requirements or their equivalent. This is referred to as the Letter of Recommendation admissions category.

2. Transfer of credits

Subject to the above requirements there shall be two major transfer arrangements.

(a) Transferable courses and programs:

These are developed by a sending institution to meet its own program and objectives, and bear its own numbers and descriptions. Transfer may be negotiated either on the basis of equivalence, or of relevance. The principle of **equivalence** refers to courses and programs of the sending institution which are identical or similar to those of the receiving institution. The principle of **relevance** refers to courses of the sending institution which are in the same areas or disciplines and at the levels of programs offered by the receiving institution, and are therefore appropriate for credit at the receiving institution.

Credits awarded in this category may involve special inter-institutional arrangements or individual assessment.

(b) Transfer courses and programs:

These are delivered by a sending institution as courses and programs which correspond in description to those of the receiving institution.

Among degree-granting institutions, transfers are assessed on an individual basis by the receiving institution. Consequently, course equivalents between degree-granting institutions are not listed in the Transfer Guide.

D. PROCEDURES FOR TRANSFER OF CREDIT AMONG ALBERTA POST-SECONDARY INSTITUTIONS

To facilitate the negotiation of transfer arrangements among post-secondary institutions, the Council has established the following set of procedures.

Objective

These procedures are designed to provide a mechanism for the negotiation of transfer and transferable courses and programs, and for their inclusion in the Alberta Transfer Guide.

Categories

Courses and programs proposed for transfer credit are of two main types, each of which involves a different relationship between the sending and the receiving institution.

1. Transferable Courses/Courses with Transfer Potential

In negotiations of transfer credit for transferable courses, the sending institution shall supply the receiving institutions with the following information: (a) course description, title, grading practices, weighting and outline, (b) textbooks and other resource materials, (c) qualifications required for an instructor. Additional information may be required at stated intervals for review purposes, or at the discretion of the receiving institutions.

2. Transfer Courses/Courses in Transfer Programs

In negotiations of transfer credit for transfer courses, the sending institution shall supply the receiving institution with the following information: (a) course description, (b) textbooks and other resource materials, (c) qualifications required for an instructor.

Transfer credit is based on initial negotiations, when the course is first offered by the sending institution. Subsequent negotiations and concurrence of the receiving institution are required where, in the view of the receiving institution, course revisions by the sending institution are sufficiently substantial to affect the transfer credit which has been negotiated.

Procedures

1. Each institution shall identify a contact person (e.g. Registrar or Admissions Officer) who will be responsible for both internal and external distribution of formal transfer proposals and responses.

2. Each institution shall, through its contact person, maintain and provide on request from other institutions (a) a list of other important institutional contacts for the purpose of facilitating appropriate preliminary discussions, and (b) a description of the internal procedures followed in the institution for the development and/or evaluation of proposals for transfer arrangements.

3. It is expected that proposals for credit will be processed as expeditiously as possible and formalized by means of the Council's Transfer Credit Proposal Form. If the transfer proposal is acceptable, the receiving institution will inform the other institutions in the system accordingly. The transfer normally will be honoured within the sub-system of which the receiving institution is a constituent.

4. If the transfer proposal is not acceptable, the receiving institution shall supply in writing, to the sending institution, the reason for this decision.

5. In the event that agreement has not been reached pursuant to (3) and (4), an institution may submit to the Council a written request for mediation. Where, in its opinion, the Council determines that a dispute concerning transfer exists, the Council may mediate to resolve the dispute.

6. In the event that the agreement cannot be reached pursuant to (5), the institutions in dispute may agree to submit the dispute to Council for arbitration. The Council will then establish procedures for the resolution of the dispute, and issue its decision resolving the dispute. The arbitration decision of the Council shall be final and without appeal or review.

7. Transfer arrangements are to be regarded as relatively enduring bilateral agreements – to be altered, amended or deleted only after **mutual consultation**. Regular discussion of existing transfer arrangements should take place between sending and receiving institutions. Any institution planning program or course changes which could bear on existing transfer arrangements as recorded in the Alberta Transfer Guide shall, insofar as possible, inform those institutions which would be primarily affected – subject, where necessary, to renegotiation. In cases where renegotiation of a transfer agreement is requested by either a sending or a receiving institution, the onus is on the institution requesting the change to provide the other institution with **sufficient notice** and lead-time to permit renegotiation before the next edition of the Transfer Guide.

8. Renegotiation of transfer arrangements is subject to the same guidelines as for the initial negotiations (i.e., 3-6).

9. When a new agreement has been negotiated, it replaces the old agreement in the next edition of the Transfer Guide.

E. INSTITUTIONAL REQUIREMENTS

Within the context of policies and procedures of the Alberta Council on Admissions and Transfer, each institution has particular requirements and practices for admission of students and the award of transfer credit. These institutional requirements are summarized in Section II of the Transfer Guide. Students who are planning to transfer are advised to refer to the appropriate institutional calendar and to consult with the Registrar's Office at the receiving institution.
